An important message from our school nurse.  
Parents, do NOT send any medication with your student to school to give to the school nurse.  
Any medication has to be brought to the school nurse by the parent/ guardian.  
In order for the nurse to give medication to your child, a medication authorization form has to be completed by the prescribing physician and another part has to be complete by you; the parent.  
Without this form, medication can not be given.

The Pulaski County Youth Volleyball league is currently taking sign-ups through Wednesday, October 13th, at Sports Den. Participation is open to boys and girls in grades Kindergarten through fifth grade for the 2021-2022 school year. The cost is \$35.00 with a discount given for siblings. Instruction and skill development will take place beginning

October 16th and run through November. Sign up forms will be sent home with each child or are available at Sports Den, or by contacting Tarah Muntz at 606-305-1451.

**Counselor's Corner:** Mrs. Pierce, School Counselor, has seen every class at least once since the start of school. Grades 3-5 took a survey for our Too Good for Drugs prevention program and were taught how to make a short term goal. 1st graders learned how to show different emotions. 2nd graders learned to "Stop & Think" before making a decision. In Kindergarten, we virtually visited a working farm and learned how to have a "Good Morning and Good Day" with Tuggles the Teddy Bear.

Parents, remember our **Fall Festival is tonight and starts at 5 pm.**

**There will be No School tomorrow Friday, October 1st and our Fall Break is all next week: October 4 through October 8.**

**We hope to see everyone back to school on Monday October 11th.**
