

**Washington Family Center**  
**Charleroi 6<sup>th</sup>, 7<sup>th</sup> and 8<sup>th</sup> Grade Students**  
**LEARN Afterschool Program**

Dear Parent(s)/Guardian(s):

Washington Family Center is pleased to announce our return with the **LEARN (Linking, Educating and Renewing Neighborhoods) Afterschool Program**. We are excited to get this program up and running. The program will be operational starting on Monday, September 11, 2017. We will also be hosting a 6 week summer program (more info to follow at a later date).

This program is **FREE** and is open to all 6<sup>th</sup>, 7<sup>th</sup> and 8<sup>th</sup> grade Charleroi students. The program will be offered after school Monday through Friday until 4:45 PM at the middle school.

The LEARN Afterschool Program will offer your child STEAM (science, technology, engineering, art and math) exposure/enrichment, math and reading enrichment activities, homework assistance, social/character development activities, and many fun experiences such as games, field trips, and speakers.

Please fill out the attached Interest Survey and return to the Charleroi Area Middle School office as soon as possible. I will contact you with additional information that is needed to enroll your child. Again, this program is free of charge to you and is funded by 21<sup>st</sup> Century Community Learning Centers and the PA Department of Education.

If you have any questions or concerns, please do not hesitate to contact me at **724-229-7410** or email me at [jsawicky@sphs.org](mailto:jsawicky@sphs.org).

Respectfully,  
Jenelle Sawicky  
Program Director  
LEARN Afterschool Program  
Washington Family Center
