TEACHER FEATURE

Everything's Coming Up Roses

Congratulations to our very own CVHS Band Director, Daniel Granillo. He was selected to march and play in the national band directors band in the upcoming Tournament of Roses Parade 2022. We are so proud of Mr. Granillo.

A red pickup truck is parked on a paved surface in the foreground. Behind it, a large, steep, and rocky mountain rises against a clear blue sky. The mountain's surface is rugged and appears to be composed of light-colored rock or sand. A small, dark, rectangular object, possibly a sign or a piece of equipment, is visible on the ground near the truck.

CVHS Sports

Let's Grapple

Wrestling

In wrestling action this week up in the High Desert (Yucca Valley) our wrestling team proved victorious 48-27 with some crucial wins from his emerging group of wrestlers. With wins from Samara Torres, Victor Duarte, Abraham Acuna, Jeremiah Cuahuey, Rogelio Vidana, and a crucial pin from Javier Ortiz the team is continuing to show that they are a team to be reckoned with on the mat. Be sure to catch the Arabs in action at their last league match of the year on January 6th at Indio HS.

Futbol Anyone?

Boys Soccer

In boys soccer this week we spotlight standout defender David Flores who has proven to be a vital piece to the backline not only with his physical play but also using his voice to shout important information with his teammates. Good job David, keep up the good work.

Girls Dominate

Girls Soccer

On a cold night on the pitch (English Premier League slang) in girls soccer, we had a game-winning goal from Jr. Angie Leal against Colton HS 1-0. Colton proved to be a tough team from the Inland Empire but our girls prevailed in the end. Also, in a blowout win against 29 Palms, Angie Leal (once again) and Leslie Delgado each had Hat Tricks (3 Goals) scored for the Lady Arabs. Great job girls and continue to work hard in league play.

Let's Hit the Hardwood

Girls Basketball

On the hardwood, for the CV Girls Basketball team, we had a strong showing from JR. point guard Alana Granillo. She had 12 points and 4 steals against Palo Verde to help pace her team for most of the game, but just came up short in the end. Great effort Alana and keep pushing yourself and your teammates hard.

Boys Basketball

Not only did Tony Carreon score an All DVL nod for offensive player of the year in Football this week, he also did great on the hardwood. Tony carried his team with 12 points, 6 rebounds, and 4 assists and showed tremendous effort against a formidable 29 Palms team this week. He never quit and showed that his athletic abilities don't stop at the football field, great job Tony, and keep up the good work.
