Policy Review

FOREWORD

The St Bede's School Trust Sussex Health and Safety Policy is issued in accordance with Section 2(3) of the Health and Safety at Work, etc. Act 1974 and is composed of three parts:

Part 1:	Statement of intent	Sets out the Trust's commitment to maintaining the health, safety and welfare of all persons affected by its activities and undertakings
Part 2:	Organisation, roles and responsibilities	Details the duties and responsibilities of the Board of Governors, staff, pupils, and contractors and the consultation and communication structure for health and safety
Part 3:	Health and Safety Arrangements	Provides a summary of the health and safety systems and procedures implemented within the Trust. The contents of this section can be found on Sharepoint.

Health and safety is everyone's responsibility, and the success of this Health and Safety Policy and the embedding of a positive safety culture throughout the Trust is very much contingent upon the co-operation and involvement of all members of the Trust community. To achieve this, everyone to whom this policy is directed is requested to understand the Trust's expectations, meet their responsibilities and duties and undertake their activities in accordance with the health and safety systems and procedures implemented within the Trust.

This policy takes in to account the requirements of the 2014 DfE Guidance Document – Health and Safety: advice on legal duties and powers for local authorities, school leaders, school staff and governing bodies.

Comments on this document, requests for further information or clarification on any aspect of its contents should be made to the Health and Safety Compliance Manager.

A copy of this publication along with associated documents and further information may be viewed and printed from SharePoint.

PART 1 – STATEMENT OF INTENT

The Governors of St Bede’s School Trust Sussex (hereafter referred to as the Trust) and the CEO / Head of the Senior School (hereafter referred to as the CEO) are committed to providing a safe and healthy environment for all members of the Trust community and to complying with all statutory health and safety obligations, including providing a safe and healthy working environment, safe equipment and safe systems of work.

As the Directors of the employing organisation, the Board of Governors is responsible for the formulation, development and implementation of the Health and Safety Policy and expects the cooperation and support of all employees, pupils and visitors in order to meet this objective.

The Trust recognises and accepts its responsibilities for providing a safe and healthy environment for;

- Employees engaged in the Trust’s work or business activities
- Pupils whilst they are engaged in activities which are under the supervision of the Trust
- Other persons who have access to the Trust’s property or may be affected by the work and undertakings of the Trust such as parents, visitors, tenants, contractors and members of the public

The Trust will ensure that effective consultation takes place with all members of staff on health and safety matters and that individuals are consulted before making any significant changes to their health and safety arrangements, or to any health and safety functions allocated to them.

The Trust has employed a Health and Safety Compliance Manager as a ‘Competent Person’ but where necessary, will seek additional specialist advice to determine the risks to health and safety and the precautions required to deal with them.

The Trust will provide suitable and sufficient information, instruction, training and supervision to all employees in respect of the risk to their health and safety.

This Policy applies to the Board of Governors, all Trust staff, pupils, visitors, and contractors. The Board of Governors requires the cooperation and the support of all staff to maintain high standards of health and safety in all the Trust’s activities.

- approve the services and appointment of any external health and safety services
- report to the Board of Governors on matters relating to the management of health and safety within the Trust, via the Health and Safety Governor.

2.24 CONSULTATION

To enable the school to fulfil its health and safety responsibilities employees are consulted on health and safety matters. This is achieved by:

- Termly Trust Health and Safety Meetings, including termly communications to all staff inviting them to raise any health and safety concerns, and the all staff publication of meeting minutes via email and Shared Google Drive.
- Representation on the health and safety committee by a wide cross section of the departments within the school including support staff, heads of department and Governor representative
- Health and safety meeting information communicated to Governors
- Induction training for all staff at commencement of employment
- Staff training on health and safety matters
- Annual review of health and safety arrangements through the Health and Safety Management Committee with consultation of relevant departments and Governors
- Health and Safety Information highlighted on notice boards
- Estates reporting processes

2.25 COMMUNICATION

Minutes of meetings will be published on Shared Google Drive.

PART 3 – HEALTH AND SAFETY ARRANGEMENTS

All staff are expected to familiarise themselves with the policies and sections below that are applicable to their role. The documents can be found on My Bedes.
