APPROVAL OF MINUTES

- ▶ Minutes of the Regular and Executive Session of March 6, 2018.

Highlights – Mr. Esposito

- ▶ During February many of our elementary school students participated in Jump Rope for Heart, which is a fundraising activity that involves students jumping rope for extended periods of time in order to raise money for the American Heart Association. Led by Caroline Whalen, Physical Education (PE) Teacher, the students at Truman raised a whopping \$13,400. Their donation was made in honor of Marisa Tufaro, a young girl from Edison who tragically passed away due to cancer but had also endured multiple open heart surgeries in her short 13 years of life. Similarly, Wilson School's 2nd and 3rd graders, led by PE Teacher Tom Wonaszek raised \$2,100 for the American Heart Association during their Jump Rope for Heart. Finally, the Eisenhower Elementary School also celebrated Healthy Heart Month in February, and led by PE Teacher George Najjar and Nurse Edith Braun, raised \$5,004. We commend and congratulate all our students and staff across the district who participated in Jump Rope for Heart and thank everyone in the entire school district community who donated monies for their generosity! We are so proud!
