- ▶ The Sayreville Middle School is offering a **Homework Club** that will run once a week after school. The Homework Club serves as an opportunity for students to complete their homework after school with supervision. It provides a way for students to focus on their homework without distractions and with teacher assistance, if needed. The club will meet on Tuesday afternoons from 2:55 to 3:33 p.m. There is a 4:00 p.m. bus available for students who take the bus home on a daily basis. The Homework Club is sponsored by the Middle School PTO and will cost \$50 per student. It will run for 10 weeks beginning February 13, 2018 and ending on April 24, 2018 (not available during Spring Break).
- ▶ We have an App for that! The Sayreville Middle School Guidance Department is always looking for new ways to increase the school/home connection and to assist parents to become more actively involved in their child's education. Last month, the Guidance Department launched the "Remind" App, which can be downloaded for free from either the Apple App Store or Google Play. Yet another way to strengthen the home/school connection and to keep parents informed.
- ▶ Congratulations to Sayreville War Memorial High School student Sierra Farrell, who scored among the 34 highest scoring tenth graders in the country out of a total 16,175 participants (she only had one wrong response). Junior Maham Akhtar scored among the highest-scoring eleventh graders out of 16,476 participants. Seniors, Kathleen Beben and Jasmeen Kaur scored among the 121 highest-scoring twelfth graders in the country out of 18,621 participants. Congratulations to these students and their teachers!!

- ▶ Renovations of the Sayreville War Memorial High School's TV Studio are nearing completion. In fact, the TV students are looking forward to working on a SWMHS News Program that will be filmed in their studio during Semester 2. Thank you to Mr. Greene and his students for putting together an amazing video for the NSBA visit.
- ▶ On December 4, 2017, the Sayreville Board of Education had the pleasure of hosting a visit from members of the National School Boards Association (NSBA) led by our Board President, Mr. Kevin Ciak, who is also the President of the NSBA. They arrived at the high school and were greeted by the SWMHS Marching Band and Cheerleaders. After meeting some of the high school faculty and district administrative team, and having breakfast with the SWMHS Student Council, they were treated to performances by our high school students in the auditorium. Our Air Force Junior ROTC presented the colors for the Pledge of Allegiance and the National Anthem was played beautifully by a trumpeter from the Marching Band. This was followed by performances by the SWMHS Choir; theatre students, who performed a skit from the *Good Doctor* play[the previously mentioned TV Production students' video; and a performance by Traffic on Washington, the SWMHS rock band, which brought the NSBA members to their feet with a couple of songs, most notably the Bon Jovi song, "Who Says You Can't Go Home." From the high school, the NSBA visited the Samsel Upper Elementary School, where TAG students gave them an environmental preservation presentation. In addition several students gave a presentation on the Let the Children Lead program. Finally, the Samsel Chorus sang a rousing rendition of "The Lion Sleeps Tonight." The NSBA ended their day and visit to Sayreville at the Grand Marquis for a meet and greet with NJ Commissioner of Education Kimberly Harrington and enjoyed a special presentation of the Madrigal Dinner.
