# DISTRICT HIGHLIGHTS

The students raised just over \$8,000. In addition, Mrs. Braun asked that everyone wear red on February 3<sup>rd</sup>, in support of *Go Red for Women* which is also in support of the AHA. There were stations and activities supervised by Truman teachers, paraprofessionals and our high school students from the Tomorrow's Teachers program. The activities focused on language arts, math, STEM, art and character education ideas. Truman has more activities planned for the rest of the school year.
- ▶ Congratulations to several Sayreville War Memorial High School students who have been receiving various accolades for their creations. Phillip Grochowski and Stephanie Gonzalez, Independent Study Ceramics students, have had their ceramic works chosen from a nationwide competition sponsored by Skutt Ceramics called Peep Show. Only 20 works are selected and now, Phillip's and Stephanie's works will be on display at the National Art Education Association conference in NYC at the end of March.
- ▶ Four Advanced Art/Independent Study students have also received recognition for their endeavors. Jenna Ahmed received an Honorable Mention, Brenda Cambero and Summer Wuchter have received Silver Keys, and Pierre Macpherson received a Gold Key. As Pierre received a Gold Key, his tunnel book will be exhibited at the Montclair Art Museum. Pierre, Brenda and Summer will have their works displayed in a slide presentation during the museum's opening reception. In addition, the following students are included in an exhibition at the Sally D.
