

CERTIFICATION

The certification of teachers and other personnel in the public schools of New Jersey is a protective measure for the children, the community, and the staff members themselves. No teaching staff member shall be appointed, except by a recorded roll call majority vote of the full membership of the board of education. All personnel hired shall have proper certification as required by the State Board of Education. The Superintendent will take appropriate steps to avoid employment of teachers with revoked or suspended certificates. Where the Superintendent receives formal notice from a state entity that an employee's certificate, as required by the employee's employment title is no longer valid, the employee's employment shall cease, notwithstanding the fact that the term of employment may not have expired. No teaching staff member shall be entitled to any salary unless he is the holder of an appropriate certificate. No teaching staff member, contracted by private agencies that provide educational services by means of public funds, shall provide educational services to district students unless he or she is the holder of a valid certificate.

Validity of certification must be verified with the county office.

The Superintendent must receive valid evidence of proper certification or qualifications to pursue the alternative route to certification before presenting a candidate to the board.

Reporting of Arrests, Charges and Indictments

All certificated staff members who are charged, arrested or indicted for a crime or offense must submit a report to the Superintendent of the charge, arrest or indictment, including (but not limited to) disorderly persons offenses and drunk driving arrests. This reporting requirement pertains to both in-state and out-of-state offenses and crimes. Pursuant to N.J.A.C. 6A:9-17.1(c) the employee will make the report within fourteen (14) days. The staff member shall also report the disposition of any charges within seven (7) days of the disposition.

Failure to comply with these reporting requirements may be deemed "just cause" to revoke or suspend the certificate(s) of any certificate holder pursuant to N.J.A.C. 6A:9-17.5.

The Superintendent will make these requirements known to all new employees and to all employees on an annual basis.

District Reporting Requirements

Pursuant to N.J.A.C. 6A:9-17.4(a), the Superintendent shall notify the New Jersey Board of Examiners when:

In the event the New Jersey State Board of Examiners issues an order to show cause based on the information that the school district provided about the certificate holder, it shall be the responsibility of the school district to cooperate with the Board of Examiners in any proceeding arising from the order to show cause.

Mentoring Novice Provisional Teachers

In order to enhance student achievement of the New Jersey Student Learning Standards the district shall develop a mentoring program for nontenured teachers, including novice provisional teachers who hold a certificate of eligibility (CE) or certificate of eligibility with advanced standing (CEAS). The mentoring program shall provide an induction to the teaching profession and to the school district community through differentiated supports based on the teachers' individual needs and to help them become effective professionals.

For the purposes of this policy:

"Novice teacher" means any full-time or part-time teacher who has not completed one year of full-time teaching under a valid State teaching certificate.

"Provisional teacher" means a holder of a provisional two-year certificate issued to candidates who have met requirements for initial employment as part of a State-approved school district training program or residency leading to standard certification.

"Novice provisional teacher" means a certificate holder (CEAS or CE) who is also a novice teacher who has not completed one year of full-time teaching.

The goal of the district mentoring program shall be to enhance teacher knowledge of and strategies related to:

 - 3. In-person contact time between the mentor teacher and the novice provisional teacher;
 - 4. Meetings with the mentor at least once per week for the first four weeks of the teaching assignment.

All contact time between the mentor teacher and the novice provisional teacher shall be recorded in a log, developed as part of the district mentoring plan, submitted to the Superintendent or designee, and maintained within the school district.

Special Education

All personnel serving students with disabilities shall be appropriately certified and licensed, where a license is required. Each member of the child study team shall perform only those functions that are within the scope of their professional license (where applicable) and certification issued by the New Jersey Department of Education. Where related services are provided by non-certified personnel because there is no certification required, such services shall be provided under the supervision of certified district board of education personnel.

Adult High School
