

Academic Affairs Committee Meeting Notes

Meeting: March 14, 2022 – 6:07 pm – Ossipee Central School

Present:

GWRSB Academic Affairs Committee Charlene Seibel, Stefanie King. **Excused:** Tim Eldridge

Administration: Heather Cummings, Kaitlyn Hills

Community Members: Dana Streeter, Nate Williams, Hudson Hammer, Jessica Williams

Agenda Review

No changes

Policies

The committee addressed Policy BEA, Board Meetings and Policy BEDH, Public Participation at Board Meetings. They discussed bills currently in legislation that may affect these policies. Ms. King would like to clarify on allowing community members who cannot attend to submit written public input. Can emails or letters be submitted and read into the record? Ms. Cummings suggested we wait to revise these policies to see if new laws may impact the current policy. If that is the case, we will await guidance from the NH School Boards Association and legal counsel if necessary.

Student Health and Wellness Discussion

Ms. Seibel inquired if there are any students experiencing “long Hauler” COVID symptoms and if so, what supports are in place. Ms. Cummings said the District has not received any reports of this, but provides accommodations for students who suffer from extended illnesses identified in a 504 plan. Ms. Seibel asked about taking temperature of students as they entered the building. The committee did not feel the need to pursue at this time. Mr. Streeter had a clarifying question on student dress code policy that was passed as amended at the February 15 school board meeting.

Adjournment

6:46 pm

Recorded by,

Linda Murphy
School Board Secretary
