### Trust Land Budget Report:

Last month it was voted that the balance of 2021-2022 funds would go to REFRESH program (1/3 of school gets new ipads, old ipads get refurbished). New ipad covers are needed, keyboards, ipad pens and headphones need replaced. Balance is approx. \$800+

### Items of Business:

1) Council Member changes

Based on community council by-laws and the rules of procedure, the following actions took place:

Motion was made by Melissa Jackson to remove Amanda Hilton from committee duties due to resignation and be replaced by Angella Brown. Motion seconded by Hilaree Lowry. Motion passed.

Motion was made by Hilaree Lowry to relieve Camille Hoffman of her community council responsibilities due to inability to attend. Motion seconded by Melissa Jackson. Motion passed.

- 2) Discussion by committee members regarding the need for attendance at committee meetings. Attendance is crucial for the purpose of the council to be full functioning. Zoom is available for all meetings so that there are enough members for voting on the bettering of the school as a whole.
- 3) Feedback on White Ribbon week/Digital Responsibility Parent Night  
Good feedback from attendees. The presentation given was the same that is given to students. Digital Citizenship falls under the responsibility of Community Council. Looking into booking the presentation in the fall upper grades 3-6, and NetSmarts for younger grades K-2.  
Brooke Scheurer also lined up and had Officer Stanford to talk to 5<sup>th</sup> & 6<sup>th</sup> grade students this year. Parent Night will be repeated next year. It was suggested to use STEM technology night and have a rotation for parents on "Parenting in a Digital Age"
