## WaNIC/Satellite Course Selection

For all students who would like to apply to the WaNIC program or attend a satellite course in NSD, there is a separate application process and you must be accepted to the program before you will be registered for the class. **Please select a full load (14 course requests) for BHS classes.** Your schedule will be adjusted as needed if you are accepted into the program you applied for. For more information about WaNIC or satellite classes, please click on the WaNIC [PROGRAM INTEREST FORM](#)

Satellite courses have a separate application and acceptance – choosing this option for a course selection does not register you for the course, it is so that your counselor knows that you are planning to apply to the program.
