APPROVAL OF MINUTES

- ▶ Minutes of the Regular and Executive Session of April 19, 2016

District Highlights – Mrs. Batko

- ▶ Congratulations to both the SWMHS Girls and Boys Basketball Teams who are this year's GMC White Division Champions. We are so proud of both teams for all of the hard work, sacrifice, and dedication that goes along with winning a championship. We would also like to thank the coaches, for without them, this would not be possible!
- ▶ We are proud to announce that SWMHS students, Migle Surblyte and Jovannah Antoine received Aspirations Awards. Migle was awarded National Runner Up and Jovannah was awarded Local Runner Up in this year's NCWIT (National Center for Women and Information Technology) Aspirations Award. This prestigious award is given to young women who have aspirations in the field of computers/technology. Congratulations ladies!
- ▶ Congratulations to Mrs. Nancy Mannino, Sayreville Middle School Cafeteria Manager/Cook, for being named Manager of the Year by the NJSNA (New Jersey School Nutrition Association). Nancy works very hard and is well deserving of this award.
- ▶ The second-grade teachers at Truman Elementary School applied for the Captain Planet Foundation Grant, which is a nationally competitive grant for sixteen schools or non-profit organizations in the United States. We have recently been notified that Truman School has been awarded \$2,500 to put toward school projects, one of which includes a school garden and different ways to irrigate, fertilize and maintain it. They will be working with the Borough of Sayreville and Middlesex County in furthering environmentally friendly practices that teach our students about creating new ways to solve issues relating to reducing, reusing and recycling products we use and the ways in which we utilize energy. Congratulations!
- ▶ Mrs. Laura Mihalenko, TAG Teacher at Arleth Elementary School, has been chosen to attend the Mickelson ExxonMobil Teachers Academy. The Mickelson ExxonMobil Teachers Academy is a camp where teachers go to learn about math and science in fun ways. The camp is a one-week training program where she will learn with other teachers from across the country. Laura is one of 154 teachers that have been selected to attend this year. Congratulations, Mrs. Mihalenko!
