DISTRICT HIGHLIGHTS

* A special congratulations go out to Mr. Peter Alvarez and the Sayreville War Memorial High School Architecture and Robotics classes for going above and beyond the call of duty by helping out the community. At the end of the past school year, the students were asked by the Public Library to help work on a space planning project. The students measured out the library and produced an accurate drawn blueprint and an Auto CAD version of the floor plan, along with a three-page document created by the students in addressing some spatial issues within the building. Susan Kaplan, the Library Director, and the Library's Board Of Trustees accepted the plan and are creating spaces within the

library to accommodate students and other patrons after school. This is what the Sayreville School District is all about!

* On October 30, 2013, the Sayreville War Memorial High School Choir, Choral Parents and Fedora Productions hosted Acoustic Night 2013 – “Songs For a Cure.” This benefit concert with an “unplugged” theme, featured music from all genres. SWMHS students were featured performers using instruments ranging from hand percussion, piano, guitar and sitar. All of the proceeds from this event were donated to the Lustgarten Foundation, which works toward funding research to battle Pancreatic Cancer. Congratulations to Mr. James Craft and the Choir for this marvelous performance and their generosity to the Lustgarten Foundation.

* Our Sayreville sons and daughters have emerged victorious from their trip to the Tournament of Bands “Greater New York Area Championship” competition. Winning is great and this year it is a fitting reward for all of the long hours and concentrated effort the students have invested in becoming a high caliber marching band. Congratulations to the members of the Sayreville War Memorial High School Marching Band on a memorable season. On October 20, 2013, they received a first place finish at this tournament. Their score of 91.55 was the highest score for the 3A Caption and included awards for best music, visual and color guard. This season, the band was undefeated in all six Tournament of Bands Competitions that they attended. In addition to the band’s success in the 3A Caption, their scores at the Matawan Regional HS competition were the highest amongst all 11 bands in the “A” Division. At the West Essex HS Championship, the Bomber Band score was the highest of all 14 bands in the “A” Division, as well. We are so proud of these students, advisors and parents for all of their hard work and dedication throughout the school year.

SAYREVILLE BOARD OF EDUCATION

WHEREAS, the Board of Education of the Borough of Sayreville, County of Middlesex, State of New Jersey recently joined the majority of school districts in the State of New Jersey in transitioning its annual school board election to the November General Election; and

WHEREAS, the number of days between the deadline for school board petitions to be filed and the aforementioned election has more than doubled as a result of this action and the constructs of state statute; and

WHEREAS, this Board of Education believes that moving the filing deadline closer to the election would encourage candidacy in these non-partisan elections; and

WHEREAS, current law does not provide for procedures for boards to follow if a vacancy occurs between the candidacy filing deadline and the November election and this Board believes such procedures should be established to enable the consistent handling of such situations across the state; and

WHEREAS, this Board of Education believes that if a municipal governing body chooses to unilaterally move a school district election from April to November that the Board of Education in that municipality should be properly notified of the pending discussion of such a change and be granted an opportunity to be heard before the municipal governing body; and

WHEREAS, Senator Jim Whelan has introduced legislation known as S-2086 which would accomplish all of these objectives

NOW, THEREFORE, BE IT RESOLVED that the Board of Education of the Borough of Sayreville, County of Middlesex, State of New Jersey calls on its District 19 state legislators to support S-2086 and asks them to call on their colleagues in the Assembly and Senate of New Jersey to support S-2086 as well; and
