Present: GWRSB Academic Affairs Committee Krista Abear, Tim Eldridge, Wendi Fenderson and Stacy Trites. **Non Committee Member** Dana Streeter

Administration: Heather Cummings, Kathleen Cuddy-Egbert

Agenda Review

No changes

Athletics

Superintendent Cuddy-Egbert talked about the late bus and said late last year it started to leave at 6:30 pm and only transports to New Durham and Ossipee and does not run on Friday. She has asked transportation to track the number of students riding the late bus each day.

She discussed coaching stipends and team costs. The Booster Club covers all sports and is being organized to have a least one representative from each sport. The club provides extras for teams and in most cases the team will also do fundraising. Ms. Trites asked if a sport ends and later starts again do they start all over with number of years before being recognized.

At 6:40 pm Athletic Director Aaron House joined the meeting and said the athletic program is kid driven. If a student would like a new team then they bring it forward to him. Bass fishing was the last team brought forward by students. He gave examples of how fundraising money is spent by the different teams.

Adjournment

7:00 pm
