Year 7 English Curriculum Guide

Staffing: Sarah Millar, Acting Curriculum Leader English and Media Faculty Email: s.millar@sydenham.lewisham.sch.uk		
Assessment Overview: Autumn Term 1: Poetry analysis and NGRT Autumn Term 2: Descriptive or narrative writing Spring Term 1: Analysing a key theme or character in response to an extract from the novel Spring Term 2: Descriptive or narrative piece in response to an aspect of the novel Summer Term 1: Performance of a monologue or duologue Summer Term 2: Writing to argue response		
Subject Curriculum Intent: At KS3, students read and study a range of engaging and significant texts. The curriculum is challenging, and is designed to promote a love of reading and writing and to build upon the knowledge and skills the students have developed at primary school.		
Curriculum Content Overview:		
Autumn Term 1: Introduction to Poetry	Spring Term 1: <i>The Secret Garden</i>	Summer Term 1: Introduction to Shakespeare
Autumn Term 2: Myths and Legends	Spring Term 2: <i>The Secret Garden</i>	Summer Term 2: Fairy Tales and Feminism
How will your child be assessed in the Summer Term? Knowledge checks Formal assessment		
Summer Term Assessment Revision Topics (students will be given detailed checklists): Social and historical context Shakespeare's purpose Language techniques and their effect Character and theme Speaking and listening skills Writing to argue and persuasive methods		
What can you do to support your child in English? <ul style="list-style-type: none">• Encourage your child to read for pleasure every day• Discuss with your child the texts they are studying and the writers' wider ideas, including how and to what extent these ideas are still relevant today• Encourage your child to make revision cards for the texts they are studying, focusing on plot, characters, key events, context, methods and messages		
Wider reading and useful websites or activities to support learning: <ul style="list-style-type: none">• Understanding poetry - KS3 English - BBC Bitesize• English lessons for Key Stage 3 students - Oak National Academy (thenational.academy)		

Year 7 Maths Curriculum Guide

Staffing: Subject/Faculty Leader: Mark Freakes Email: m.freakes@sydenham.lewisham.sch.uk		
Subject Curriculum Intent: To inspire pupils to think of themselves as Mathematicians. To build on learning from Key Stage 2 and lay a foundation for Key Stage 4. To drive learners to think independently and with a sense of curiosity. To develop mathematical fluency and confidence so they can analyse, make judgements and justify their reasoning.		
Curriculum Content Overview:		
Autumn Term 1: Algebraic Thinking	Spring Term 1: Applications of Number	Summer Term 1: Lines and Angles
Autumn Term 2: Place Value and Proportion	Spring Term 2: Direct Number, Fractional Thinking	Summer Term 2: Reasoning with Number
How will your child be assessed in the Summer Term? Formal end of year exam in class		
Summer Term Assessment Revision Topics (students will be given detailed checklists): 'Knowledge Organisers' for each unit of study detail the precise content		
What can you do to support your child in Maths? <ul style="list-style-type: none">Make sure your child is completing their HomeworkCheck their scores on the Hegarty website and encourage them to redo tasks that are less than 80%Check your child is using the Memri and Fix Up Five features on Hegarty

Year 7 Science Curriculum Guide

<p>Staffing: 7S Miss. S. Pavely 7Y Mrs. M. Rafea and Mrs. Bakare 7D Mrs. A McDonald 7E Mrs. Bakare 7N Mrs. M. Rafea and Miss. C Pang 7H Mr. S. Wilson and Mrs. A McDonald 7A Mrs. K Abbs and Mr. S. Wilson 7M Miss. C Pang Subject/Faculty Leader: Amy Vickers Email: a.vickers@sydenham.lewisham.sch.uk</p>		
<p>Subject Curriculum Intent The importance of Science to our students and how it impacts the world around us is emphasised from the beginning of Key Stage 3, and students can understand the purpose and significance of learning about the subject. Our Science curriculum enables students to use their knowledge and skills to develop a deeper understanding of the mechanisms that explain the world around us. All three disciplines are interlinked and taught to enable students to develop their knowledge of Biology, Chemistry and Physics. In line with the school intent, students develop a sense of their responsibilities and possible actions they should carry out as they learn of the important issues that we face as a society. Students can link their learning from across the curriculum and feel empowered to learn new, unfamiliar material, solve problems and hypothesise. The science curriculum offers students the chance to become High Performance Learners by building their confidence in vocabulary and numeracy skills which they can independently apply to explain observations and interpret data from contextual situations. The curriculum is well planned, and lessons are sequenced to build on prior learning. Lessons are taught with enthusiasm by teachers who delve into a deeper understanding of the material to meet the national curriculum and beyond. Teachers have high standards and expect to be ready to learn and work with perseverance. They use practical work, modelling, collaborative learning opportunities alongside a strong focus on deliberate practise and retrieval practise when planning and delivering the material. Students are encouraged to ask questions and postulate ideas and explanations of theory while developing their investigative and problem-solving skills.</p> <p>The work completed in year 7 and 8 builds the foundations for completing their GCSE's in Science.</p>		
<p>Curriculum Content Overview: We use the Exploring Science course provided by Edexcel. Students will have access to online resources provided by ActiveLearn.</p>		
<p>Autumn Term: Students will be taught the following units on rotation; Cells Forces Mixtures and separation Reproduction Electricity Acids and Alkalis</p>	<p>Spring Term: Students will be taught the following units on rotation; Reproduction Electricity Acids and Alkalis Muscles and bone Energy The particle model</p>	<p>Summer Term: Students will be taught the following units on rotation; Muscles and bone Energy The particle model Atoms and Elements Ecosystems Sound</p>
<p>How will your child be assessed in the Summer Term?</p>		

Students will continue to be assessed in class with homework marking and marked task assessments. At the end of the year students will be tested on all topics covered up until that point (all except Sound and Ecosystems).

Summer Term Assessment Revision Topics (students will be given detailed checklists):

Cells

Forces

Mixtures and separation

Reproduction

Electricity

Reproduction

Acids and Alkalis

Energy

The particle model

Muscles and bones

What can you do to support your child in Science?

Make sure your child is completing their Homework

Encourage your child to complete the revision activities on ActiveLearn and SAM learning.

Year 7 French Curriculum

<p>Staffing: Danielle Walker Subject/Faculty Leader: Danielle Walker Email: d.walker@sydenham.lewisham.sch.uk</p>		
<p>Subject Curriculum Intent: In French we aim to give students a good understanding of the language, using phonics, giving students the opportunity to manipulate language and help them to grasp the culture of French-speaking countries. We test vocabulary regularly and this will prepare students for independent learning at GCSE</p>		
<p>Curriculum Content Overview:</p>		
<p>Autumn Term 1:</p> <ul style="list-style-type: none"> • Greetings • Spelling/the alphabet • Counting to 21 • Saying your age • Birthdays – dates • Talking about hobbies and using opinions • Colours, adjectives • Talking about animals • Talking about your family • Describing where you live • Saying what you eat and drink 	<p>Spring Term 1:</p> <ul style="list-style-type: none"> • Describing your school • Learning about school subjects, timetable • Giving opinions and reasons on subjects and teachers • Using the 12-hour clock in French • Talking about food in the canteen • Comparing schools in other countries 	<p>Summer Term 1:</p> <ul style="list-style-type: none"> • Talking about your town • Giving directions • Talking about where you go using the verb 'aller - to go' • Asking someone to go somewhere • Saying what one can do in town • Facts about France – culture
<p>Autumn Term 2:</p> <ul style="list-style-type: none"> • Talking about your personality, describing yourself • Talking about likes and dislikes • Talking about other people using third person pronouns • Describing a musician 	<p>Spring Term 2:</p> <ul style="list-style-type: none"> • Talking about hobbies • Sport • Computers and mobiles, technology • Activities using the verb 'faire - to do' • Giving opinions using 'aimer - to like' • Talking about extreme sports • Talking about what other people do 	<p>Summer Term 2:</p> <ul style="list-style-type: none"> • Talking about holiday destinations • Talking about getting ready to go out • Buying drinks and snacks • Saying what you would like to do using the conditional tense
<p>How will your child be assessed in the Summer Term? Your child will be assessed on how well they have learnt vocabulary once a week. They will also have a formal assessment in writing and translation.</p>		
<p>Summer Term Assessment Revision Topics (students will be given detailed checklists): We use a website called https://quizlet.com/ to revise vocabulary.</p>		

What can you do to support your child in French?

Supporting your child with signing up to Quizlet is very important. This will need to be done within the first two weeks of the academic year. Coming to every lesson with the correct equipment is also integral. Your child will be issued with a vocabulary booklet and this must be brought to lessons. Ensuring your child has this with them will be beneficial. You can also use this to help your child revise the vocabulary.

Year 7 German Curriculum

<p>Staffing: Andrea Bauer, Danielle Walker, Subject/Faculty Leader: Andrea Bauer Email: a.bauer@sydenham.lewisham.sch.uk</p>		
<p>Subject Curriculum Intent In German we aim to give students a good understanding of the language, using phonics, giving students the opportunity to manipulate language and help them to grasp the culture of German speaking countries. We test vocabulary regularly and this will prepare students for independent learning at GCSE</p>		
<p>Curriculum Content Overview: In German we introduce students to the language and culture of German speaking countries. By the end of year 7, students will have a solid foundation for general conversation, translation and writing. We cover many topics that prepare the students for vocabulary at GCSE.</p>		
<p>Autumn Term 1:</p> <ul style="list-style-type: none"> • Introducing yourself • Counting to 19 • The alphabet • Describing your characteristics • Talking about where you live • Talking about your belongings 	<p>Spring Term 1:</p> <ul style="list-style-type: none"> • Talking about hobbies and free time • Sport – opinions about sport • Talking about how often you do activities, common frequency phrases. • Talking about technology 	<p>Summer Term 1:</p> <ul style="list-style-type: none"> • Saying what there is/isn't in a town • Saying what souvenirs you would like to buy at a gift shop • Snacks and drinks • Revision and assessment
<p>Autumn Term 2:</p> <ul style="list-style-type: none"> • Talking about your family and pets • Talking about 'superpets' using the modal verb 'koennen - to be able to' • Colours and adjectives • Talking about yours and other people's birthdays 	<p>Spring Term 2:</p> <ul style="list-style-type: none"> • Talking about school subjects, timetable • Describing your teachers and school • Giving opinions and reasons on school topics • Talking about your classroom and facilities in the school • Describing your favourite day of the week 	<p>Summer Term 2:</p> <ul style="list-style-type: none"> • Talking about holiday plans • Recognising and producing the future tense • Researching German speaking places and creating a holiday brochure • Using familiar language in a new context
<p>How will your child be assessed in the Summer Term? They will also complete a formal assessment in writing and translation. Vocabulary tests will occur weekly.</p>		
<p>Summer Term Assessment Revision Topics (students will be given detailed checklists): All topic vocabulary is available to access on the online resource http://quizlet.com</p>		
<p>What can you do to support your child in German? We encourage our students to sign up to quizlet within the first two weeks of joining year 7. Parents can help students to do this. Parents can also help by practising vocabulary with students at home. All students will be issued with a vocabulary booklet and it is integral that this is brought to every lesson. Parents can support by checking all equipment is brought to school.</p>

Year 7 Spanish Curriculum

Staffing: Yolanda Arteaga, Nora Landaluce and Gina Ossa

Subject/Faculty Leader: Gina Ossa

Email: g.ossa@sydenham.lewisham.sch.uk

Subject Curriculum Intent:

In Spanish, we aim to introduce students to phonics, vocabulary and grammar. With grammar, we want to teach how to truly manipulate and correctly use verbs. In vocabulary, we teach the most frequently used words in the language and by the board of examinations. Phonics aims to allow students to link the writing system with the sounds it represents. With these three pillars, our curriculum aims to impact language development by ensuring a robust foundation of knowledge and prepare them for their GCSE. At the same time, we aim to give students tools to be independent language learners able to set their own targets and develop their Spanish fluency by themselves.

Curriculum Content Overview:

<ul style="list-style-type: none"> ● Autumn Term 1: ● Describing places and location ● Saying what someone is like at the moment ● Saying what someone is like in general ● Saying what people have ● Saying what people do ● Autumn Term 2: ● Saying what people do and don't do ● Numbers (1 to 12) and talking about more than one thing ● Saying what there is around you and describing it ● Talking about the location of things ● Describing a place ● Giving and wanting (festive season and family) ● 	<p>Spring Term 1:</p> <ul style="list-style-type: none"> ● Describing family ● Describing some natural wonders of the Spanish-speaking world ● Asking and answering questions ● Talking about what you do with others (rural life) <p>Spring Term 2:</p> <ul style="list-style-type: none"> ● Talking about what people can do ● Contrasting what people must, can and want to do ● Places and locations ● Saying what people are like today vs in general 	<p>Summer Term 1:</p> <ul style="list-style-type: none"> ● Describing activities (travel) ● Describing what people do <p>Describing what people do (technology)</p> <p>Summer Term 2:</p> <ul style="list-style-type: none"> ● Describing people and possessions ● Describing when and where people go <p>Describing future plans</p>
---	---	---

How will your child be assessed in the Summer Term?

Students will be assessed by a Spelling Bee style vocabulary test for the second time. Their teacher will spell a word using the Spanish alphabet, students will write them and their meaning in English in front. In this way Students are assessed on listening, writing and understanding. The assessment will include listening and reading using the vocabulary learnt so far. Children will have several opportunities to practice this type of test in lessons.

Summer Term Assessment Revision Topics (students will be given detailed checklists):

Students have been given a complete list of vocabulary that will be included in their next assessment. The assessment will be Vocabulary bases, students will be given reading and listening based on that vocabulary.

What can you do to support your child in Spanish?

- Check that your child commits fully to their weekly Spanish homework.
- Learning and revising vocabulary will be the only homework your child will receive from Spanish this year.
- The vocabulary list can be found on the Language Guide given to your child at the beginning of the year.

- Encourage your child to join their teacher class on Quizlet and make sure your child spends at least 5 minutes daily revising and learning vocabulary.
- Learn some Spanish, you can either use our class on Quizlet or Duolingo.
- Keep in contact with your child teacher and encourage your child to contact their teacher for support when need it.

Wider reading and useful web-sites or activities to support learning:

<https://quizlet.com>

Your child will receive a language guide booklet, on it you will find also the weekly set of words to be learn, and all the information of what will be taught in lessons.

BBC Spanish KS3 <https://www.bbc.co.uk/bitesize/subjects/zfckjxs>

Year 7 Latin Curriculum

<p>Staffing: N. Landaluce, Y. Arteaga, A. Bauer Subject/Faculty Leader: A. Bauer Email: a.bauer@sydenham.lewisham.sch.uk</p>		
<p>Subject Curriculum Intent We aim to teach students about the daily life in a Roman city and the basics of the Latin language. We want students to be able to identify and manipulate nouns and verbs in Latin and thereby improve their literacy skills in English. We want students to be curious about how European languages work and how they are interconnected.</p>		
<p>Curriculum Content Overview:</p>		
<p>Autumn Term 1: <i>Topic:</i> Caecilius <i>Grammar Focus:</i> parts of speech</p>	<p>Spring Term 1: <i>Topic:</i> negotium <i>Grammar Focus:</i> Declensions</p>	<p>Summer Term 1: <i>Topic:</i> in teatro <i>Grammar Focus:</i> Plural of nouns and verbs</p>
<p>Autumn Term 2: <i>Topic:</i> in villa <i>Grammar Focus:</i> Nominative and Accusative Case</p>	<p>Spring Term 2: <i>Topic:</i> in foro <i>Grammar Focus:</i> Present tense singular</p>	<p>Summer Term 2: <i>Topic:</i> Felix <i>Grammar Focus:</i> Perfect and Imperfect Tense</p>
<p>How will your child be assessed in the SummerTerm?</p> <ul style="list-style-type: none"> • Each lesson the learning of the previous lessons will be assessed. • There will be regular vocabulary tests. 		
<p>Summer Term Assessment Revision Topics (students will be given detailed checklists):</p> <ul style="list-style-type: none"> • All content of the Vocabulary/Grammar booklet Stages 1 and 2 will be assessed. 		
<p>What can you do to support your child?</p> <ul style="list-style-type: none"> • Help your child to learn vocabulary weekly. • The Languages Faculty uses Quizlet and students will be supported in using the learning tool in their first Language lessons. 		
<p>Wider reading and useful web-sites or activities to support learning:</p> <ul style="list-style-type: none"> • Read or listen to Roman and Greek myths. 		

Year 7 History Curriculum

Staffing: Jessica Stoddart, Josephine Alexander, Stuart Pickford, Emma Quartey, Rachel Wylie

Subject/Faculty Leader: Rachel Wylie

Email: R.Wylie@syndenham.lewisham.sch.uk

Subject Curriculum Intent:

Our history curriculum aims to provide students with a deep understanding of how the past has shaped the world we live in, equipping them to make sense of the dynamic environment of the twenty-first century.

Our curriculum will explore 'hidden histories' to enable students to explore the diversity of the past. Students learn how to use sources to discover and construct the past, igniting their curiosity. The history curriculum is rooted in subject discipline. The history curriculum empowers students to read, engage with and analyse historical scholarship, understanding that the past is also constructed. They are supported by strong substantive and disciplinary knowledge, enabling them to achieve academically.

Our history curriculum aims to encourage students to develop a chronological framework of British and world history to help them make sense of the knowledge they acquire. Through our history curriculum, students will expand their historical vocabulary and communicate their ideas in discussion, debates and in extended written work, demonstrating depth of historical thinking and argument.

We develop high performance learning by teaching historians to be analytical and critical thinkers, able to articulate the importance of freedom, democracy and the challenges faced to get there.

Curriculum Content Overview:

Autumn Term 1: The Anglo-Saxons & Norman Conquest	Spring Term 1: Religion and Kingship	Summer Term 1: Female rule in the middle ages
Autumn Term 2: African Civilisations	Spring Term 2: The First Crusades	Summer Term 2: The Silk Roads

How will your child be assessed in the Summer Term?

Extended writing – Essay

Knowledge Tests

Summer Term Assessment Revision Topics (students will be given detailed checklists):

The First Crusade

Female Rule in the middle ages

What can you do to support your child in history?

- Use your child's knowledge organiser to support quizzing on key historic terms and core knowledge
- Look out for historic documentaries on TV to broaden your child's historic knowledge, for example The She-Wolves Episode 1 presented by Dr. Helen Castor
- Encourage your child to read widely; history is a written subject and reading helps with writing great history. Historic fiction is a good place to start

Wider reading and useful web-sites or activities to support learning:

BBC Bitesize KS3 History: [KS3 History - BBC Bitesize](#)

The Black Tudors by Miranda Kaufman

The Silk Roads (Children's version) by Peter Frankopan

Mansa Musa and the Empire of Mali by Jason Watson

Year 7 Geography Curriculum

Staffing: Tom Davidson, Deborah Gostling, George Ranson, Caitlin Dunham, Adam Dallimore-Levinson

Subject/Faculty Leader: Tom Davidson

Email: t.davidson@sydenham.lewisham.sch.uk

Subject Curriculum Intent:

By the end of Year 7, Sydenham will have studied a broad range of topics that focus on some of geography's most fundamental concepts. Students will explore a range of issues and learn about both the natural world and human society. These issues will also support students to broaden their 'geographic literacy' - the ability to understand the world around us and to consider our place within it.

During Year 7, Sydenham geographers will also develop a range of core geographic skills such as critical thinking, data interpretation and extended writing with a focus on discussing major issues by using real-world examples, facts and figures.

Ultimately, we aim to provide all students with tools that enable them to engage in discussion and thought about our changing world, and their role within it.

Curriculum Content Overview:

Autumn Term 1: <i>How does our world change over time?</i>	Spring Term 1: <i>Why is the Amazon Rainforest at risk?</i>	Summer Term 1: <i>What does it mean to be a Londoner?</i>
Autumn Term 2: <i>How does water shape the UK?</i>	Spring Term 2: <i>What does 8 billion people look like?</i>	Summer Term 2: <i>How are London and the UK changing?</i>

How will your child be assessed in the Summer Term?

- Between 19th April – 27th May, your child will be studying the city of London from a human geography perspective (including spatial variations in the character of London, urban regeneration and the future of London). The assessment will be a mixture of multiple-choice, resource-based and extended writing questions
- Between 6th June – 21st July, your child will be studying the changing economy of the United Kingdom (including the Industrial Revolution and changes since, in the structure of the economy and population). There will be an end of year assessment which includes content from this unit and other units from throughout the year.

Summer Term Assessment Revision Topics (students will be given detailed checklists):

- Weather and climate
- River and coastal processes
- Rainforests – animal and plant adaptations, causes and effects of deforestation
- Population structure and the Demographic Transition Model
- How is London changing
- Changing economy of the UK

What can you do to support your child in Geography?

- Engage with your child around homework and retrieval (revision) of key knowledge. Quizzes and discussion are good ways to encourage students to test their understanding.
- Watch documentaries or films about the natural world. Geography is a broad so anything that focuses on the natural world or how our planet is changing would be relevant.
- Encourage your child to read widely; websites, books and magazines are all great places to learn about current global issues.

Wider reading and useful websites or activities to support learning:

- Horrible geography – Anita Ganeri
- No one is too small to make a difference – Greta Thunberg

Year 7 RE Curriculum

Staffing: Abigail Thirunavukarasu, Joe Mathers, Adam Dallimore-Levinson Subject/Faculty Leader: Abigail Thirunavukarasu Email: a.thirunavukarasu@sydenham.lewisham.sch.uk		
Subject Curriculum Intent <p>Throughout the year 7 Religious Education curriculum, we aim to develop integral skills which enable students to understand the society around them and how religion plays a major part within the communities in which they live in.</p> <p>We aim to ensure that students develop key skills such as critical thinking, evaluating, extended writing and interpretation of sources. We believe that this will act as a foundation for their learning within RE and will allow them to flourish as well-informed theologians within Sydenham. Through the study of religion, students are encouraged to think critically, and it provides them with the ability to evaluate logical arguments and present these in a variety of formats.</p> <p>Students will be looking at a range of different religions and topics which will allow them to understand the diverse nature of religion and how it affects individual choice. Through this course it will teach students to empathise with those who hold opposing or different views to their own. Wherever you work or live, religion plays a part in people's lives, by giving students the opportunity to study the subject, we empower them by giving the skills to evaluate and analyse the strengths and weaknesses on critical matters.</p>		
Curriculum Content Overview:		
Autumn Term 1: Big Questions	Spring Term 1: Hinduism	Summer Term 1: Sikhism
Autumn Term 2: Christianity	Spring Term 2: Hinduism/Sikhism	Summer Term 2: Golden Rule
How will your child be assessed in the Summer Term? <ul style="list-style-type: none">• End of unit test with short answered questions as well as an extended writing piece		
Summer Term Assessment Revision Topics (students will be given detailed checklists): <ul style="list-style-type: none">• 5k symbols• Guru Nanak• Guru Granth Sahib• Khalsa		
What can you do to support your child? <ul style="list-style-type: none">• Engage with retrieval homework.• Quizzes to ensure that students understand vocabulary.• Encourage your child to read widely; as RE is a written subject, reading will help.• Encourage students to engage with news, so that they are exposed to religion in the community		
Wider reading and useful web-sites or activities to support learning: KS3 Religious Studies - BBC Bitesize KS3 RE Quizzes Learning and Teaching Year 7, Year 8 and Year 9 (educationquizzes.com)		

Year 7 PSHE Curriculum

Staffing: H. Virgo-Furrs, F. Nkrumah, Nneka Lawson Subject/Faculty Leader: H.Virgo-Furrs Email: h.virgo-furrs@sydenham.lewisham.sch.uk		
Subject Curriculum Intent <p>The PSHE curriculum intent is to provide a safe environment where our students develop their confidence, sense of responsibility and resilience when faced with challenge. To deliver a curriculum which is accessible to all and that will maximize the outcomes for every child. Our PSHE curriculum equips students with relevant and meaningful content, which is supported through a strong emphasis on emotional literacy, nurturing mental and physical health.</p> <p>We further enable through curriculum the development of students' respect, acceptance, and celebration of the diversity of modern society. It helps them to understand how they are developing personally and socially, and tackles many of the moral, social, and cultural issues that are part of growing up. Our students will have a more in-depth understanding of the importance of relationships, health, and well-being, connecting to the wider world and the impact this has on their everyday lives.</p> <p>We develop High Performance Learners by teaching students how to use meta-cognition in a wide range of thinking approaches and transfer knowledge from one circumstance to another. To show concern for society in their ability to empathize with those less fortunate, to show and respect diversity as a key part of our society. To work collaborative to listen to the views of others and show willingness to work in teams.</p>		
Curriculum Content Overview:		
Autumn Term 1: Transition and safety Autumn Term 2: Democracy	Spring Term 1: Diversity Spring Term 2: Health and Puberty	Summer Term 1: Building Relationships Summer Term 2: Financial decision making
How will your child be assessed in the Summer Term? Class work		
Summer Term Assessment Revision Topics (students will be given detailed checklists): No formal assessment		
What can you do to support your child? <ul style="list-style-type: none"> • Engage with homework. • Quizzes to ensure that students understand vocabulary. • Encourage your child to engage in life skills e.g., Road safety and money management • Encourage students to engage with news, so that they are exposed to topical social issues in the community

Year 7 PE Curriculum

Staffing: Alice Fullilove, Schakara Notice, Cassain Chandler, Taylor Walker

Subject/Faculty Leader: Alice Fullilove

Email: A.fullilove@sydenham.lewisham.sch.uk

Subject Curriculum Intent:

We aim to develop physical literacy through offering a broad curriculum. Students will embed learning from KS2 and aim to build a foundation leading on to KS4.

We aim to give students a strong practical knowledge base to enable them to be creative, confident and to perform to a high standard.

We also aim to foster a love for sport, with the intent that students will continue to lead a healthy active life.

Curriculum Content Overview:

Autumn Term: Netball <ul style="list-style-type: none">• Passing and pacing• Football and pivoting• Shooting• Introduction to positions• Game play	Spring Term 1: Gymnastics <ul style="list-style-type: none">• Locomotion- Partner work• Transference of weight• Balancing- individual and partner work• Routine work	Summer Term 1: Athletics <ul style="list-style-type: none">• Throwing- Javelin, Discus, Shot Put• Jumping- Long Jump and High Jump• Track- 100m,200m,800m and relay Summer Term 2: Rounders <ul style="list-style-type: none">• Throwing and catching• Positioning• Batting• Fielding• Game play
---	--	--

How will your child be assessed in the Summer Term?

Students are assessed informally every lesson and formally at the end of term. The practical assessment will be using the Head, Heart and Hands criteria.

Students are also assessed on their knowledge of skills, techniques and rules through a Microsoft Form at the end of each term.

Summer Term Assessment Revision Topics (students will be given detailed checklists):

Athletics and Rounders

Students will be given knowledge organisers to assist with revision

What can you do to support your child?

- Encourage your child to attend extra-curricular clubs
- Support your child to carry out research into the rules of all sports covered in Year 7
- Engage with homework
- Encourage your child to take part in a chosen sport outside of school
- Encourage your child to watch Sport on TV

Year 7 Art Curriculum

<p>Staffing: Stephanie Bailey, Martin Edwards, Louisa Griffiths, Kate Slipper Subject/Faculty Leader: Caia Henderson Email: c.henderson@sydenham.lewisham.sch.uk</p>		
<p>Subject Curriculum Intent: The KS3 Visual Arts curriculum will build students critical thinking through exciting thematic projects. They will introduce students to the specifics of art materials and techniques to build an understanding of value, form and depth to draw, paint and make what they see accurately and skillfully. Through all of KS3 students will build the foundation skills that will support students during the GCSE course.</p>		
<p>Curriculum Content Overview: In Visual Arts KS3 Art teaching will build students' knowledge of art techniques including drawing, designing and making. Art history and contextual studies underpin our enquiry question, in supporting students to reflect on and respond to the world around them in creative ways. Students explore themes such as 'Identity' to create a range of two and three dimensional works.</p>		
<p>Autumn Term 1: <u>Portrait Drawing planning:</u> The importance of line and tonal variation. <u>What's in a portrait?:</u> Understanding context, symbolism and meaning in paintings by Frida Kahlo.</p>	<p>Spring Term 1: <u>Chinese Dragon</u> <u>planning:</u> Chinese tradition, symbolism, politics and the art activism of Ai WeiWei. Dragon drawing and designing.</p>	<p>Summer Term 1: <u>Habitats planning work:</u> Colour mixing and painting. Animal drawing.</p>
<p>Autumn Term 2: <u>Portrait outcome:</u> Tonal portrait drawing drawing.</p>	<p>Summer Term 2: <u>Chinese Dragon Mask</u> <u>outcome:</u> Construction and decoration of dragon mask.</p>	<p>Spring Term 2: <u>Habitats outcome:</u> Collage and perspective to understand depth.</p>
<p>How will your child be assessed in the Summer Term?</p> <p>Students will design, draw and make a collage habitat.</p>		
<p>Summer Term Assessment Revision Topics (students will be given detailed checklists):</p> <p>Students should revise and learn all the colour terms and spelling.</p>		
<p>What can you do to support your child in Art?</p> <p>Provide opportunities and give support for your child to complete homework quietly and use the revision tasks above. Ensure your child has good drawing pencils, a rubber, 30cm ruler and sharpener.</p>

Year 7 Drama Curriculum

<p>Staffing: Maylene Catchpole and Sian Morrison Subject/Faculty Leader: Maylene Catchpole Email: m.catchpole@sydenham.lewisham.sch.uk</p>		
<p>Subject Curriculum Intent:</p> <p>At Sydenham School the drama curriculum aims to engage and nurture a passion for drama and the arts focusing on exploration, creation and analysis. We at Sydenham look at a range of key dramatic conventions and genres helping students explore a variety of extracts looking at how meaning is created. Work is both practical and analytical giving students the opportunity to perform as well as become theatre critics using key drama vocabulary. Over the course of Year 7 students build their confidence and drama knowledge through a series of collaborative tasks with performance opportunities throughout the learning.</p>		
<p>Curriculum Content Overview:</p>		
<p>Autumn Term 1:</p> <p>Semiotics</p> <ul style="list-style-type: none"> • How meaning in theatre is created and interpreted. • Staging terms • Key dramatic conventions <p>Autumn Term 2:</p> <p>Melodrama</p> <ul style="list-style-type: none"> • Stock characters • Story structure • Exaggeration and gesture • Line learning 	<p>Spring Term 1:</p> <p>Dramatic structures and storytelling</p> <ul style="list-style-type: none"> • Linear and non- linear • Narrative and plot • Perspectives and bias • Protagonist <p>Spring Term 2:</p> <p>Creating Character</p> <ul style="list-style-type: none"> • Improvisation • Hot -seating • Forum Theatre 	<p>Summer Term 1:</p> <p>Improvisation</p> <ul style="list-style-type: none"> • Spontaneous • Rehearsed • Character development <p>Summer Term 2:</p> <p>Script writing</p> <ul style="list-style-type: none"> • Character dialogue • Structure and narrative • Climax and anti-climax
<p>How will your child be assessed in the Summer Term?</p> <p>Students are assessed informally by their teacher throughout the term looking and key skills of collaboration, vocal and physical skills in performance as well as drama knowledge through use of key terminology.</p> <p>Formal assessments will take place focused on character development and script writing.</p>		
<p>Summer Term Assessment Revision Topics (students will be given detailed checklists):</p> <p>Staging layouts and associated key terms</p> <p>Analysis and evaluative key drama terminology</p>		
<p>What can you do to support your child in Drama?</p> <ul style="list-style-type: none"> • Support your child by asking them about their drama learning • Encourage your child to practice learning lines at home where appropriate • Engage with homework tasks via classcharts • Encourage your child to join extra Curricula or Enrichment Activities open to year 7 students • Facilitate your child to visit the theatre or watch filmed theatre performances online (The school have a subscription to Digital Theatre plus -see link below) • Encourage your child to read a wide range of books including play texts (this helps with their imagination and creativity as well as their understanding of genre)

Year 7 Dance Curriculum

Staffing: A.Hemstead T.Walker Subject/Faculty Leader: A.Hemstead Email: A.Hemstead@sydenham.lewisham.sch.uk		
Subject Curriculum Intent The Dance curriculum covers a diverse range of Dance styles and we aim to develop creative, performance and evaluation skills. We develop group work skills. Students observe each other working and are encouraged to give feedback using Dance vocabulary. We aim to give students a strong practical knowledge base to enable students to achieve academically. Above all we aim to foster a love of Dance, which could lead to the continuation of Dance study at KS4,5 and beyond.		
Curriculum Content Overview:		
Autumn Term 1: Actions	Spring Term 1: Country and Western	Summer Term 1: Hip Hop
Autumn Term 2: Ballet	Spring Term 2: Contemporary / Fusion	Summer Term 2: Thematic Dance
How will your child be assessed in the Summer Term? Students are assessed in every lesson informally and formally every half term. Students are assessed on their choreographic, performance and evaluation skills.		
Summer Term Assessment Revision Topics (students will be given detailed checklists): Students will engage in Deliberate Practice based on class work.		
What can you do to support your child in Dance? <ul style="list-style-type: none">• Support your child to carry out research into the dances studied• Encourage your child to practice class work dances at home• Engage with homework• Encourage your child to join Curriculum Enrichment Activities• Facilitate your child to visit the theatre or watch filmed dance performances		
Wider reading and useful websites or activities to support learning: Students should carry out independent research into the Dance styles studied and deliberate practice of classwork prior to the following lesson to help develop movement memory, accuracy and performance skills.		

Year 7 Music Curriculum

<p>Staffing: J. Mathers, A.Akkari Subject/Faculty Leader: a.akkari@sydenham.lewisham.sch.uk Email: j.mathers@sydenham.lewisham.sch.uk</p>		
<p>Subject Curriculum Intent</p> <p>The KS3 music curriculum will build students understanding of a wide range of musical styles through an exploration of music from different genres and cultures. The curriculum will introduce students to the skills of listening, performing and composing, building knowledge and understanding of how music communicates. Students will learn how to create and perform music both as individuals and collaboratively, enabling them to learn how to express themselves effectively through the art form.</p> <p>Students will develop their vocal and/or instrumental fluency, accuracy and expressiveness; and understand musical structures, styles, genres and traditions, identifying the expressive use of musical dimensions. They will learn to listen with increasing discrimination and awareness to inform their practice as musicians. They will be encouraged to use technologies appropriately and appreciate and understand a wide range of musical contexts and styles.</p> <p>Through all of KS3 students will build the foundation skills that will support students during the GCSE course.</p>		
<p>Curriculum Content Overview:</p>		
<p>Autumn Term 1: <u>Bridging Unit</u> Introduction to key concepts of listening, composing and performing.</p> <p>Autumn Term 2: <u>Rhythm and Pulse</u> Developing skills in reading rhythmic notation</p>	<p>Spring Term 1: <u>Cartoon Music</u> Music Technology project developing skills in composing</p> <p>Spring Term 2: <u>Indian Music</u> Musical elements within Indian music including drone, raga, improvisation, tala and melody</p>	<p>Summer Term 1: <u>Film Music</u> A composition based project creating a new trailer soundtrack for James Bond.</p> <p>Summer Term 2: <u>Performance</u> Students will work in ensembles and as soloists to prepare for an end of year class concert.</p>
<p>How will your child be assessed in the Summer Term? Students will apply their knowledge and understanding of music to compose using Garageband, with a focus on film composition. Students will also be assessed in performance as individuals or in an ensemble.</p>		
<p>Summer Term Assessment Revision Topics (students will be given detailed checklists): Key concepts of listening, composing and performing.</p>		
<p>What can you do to support your child in Music?</p> <p>Provide opportunities for your child to listen to music and talk to them about the musical instruments and elements they hear. Ask them to talk to you about how it makes them feel and what it is in the music that does that.</p> <p>Encourage your child to look into more examples of the music we are studying at this time and to explore how the same or different musical elements are present in each piece.</p>

Year 7 Computer Science Curriculum

Staffing: R. Shah, M. Warner Subject Leader: M. Warner Email: m.warner@sydenham.lewisham.sch.uk		
Subject Curriculum Intent: To develop students as effective digital citizens, computer programmers, computational thinkers, and problem solvers.		
Curriculum Content Overview:		
Autumn Term: Using computers safely, effectively and responsibly	Spring Term: Coding with Kodu	Summer Term: Control Systems
How will your child be assessed in the Summer Term? An online multiple-choice test in lesson		
Summer Term Assessment Revision Topics (students will be given detailed checklists): Using computers: File Management, Social Networking, Keeping Data Safe, Using Email, Key Terms Coding with Kodu: interpreting Kodu code, Identifying Kodu Tools, Key Terms		
What can you do to support your child in Computer Science? <ul style="list-style-type: none">• Monitor engagement and completion of classwork in OneNote (online exercise book)• Ensure completion of all set homework• Encourage independent completion of work missed due to absence

Year 7 Design and Technology Curriculum

<p>Staffing: A.Winters, A.Thompson, C.Forbes, D.Bima Faculty Leader: A.Winters Email: a.winters@sydenham.lewisham.sch.uk</p>		
<p>Subject Curriculum Intent Students have the opportunity to discover their interests and talents through creative designing, planning and focused practical activities. They develop an awareness and appreciation of design and designers and what has inspired them. They build confidence and resilience through deliberate practice and solving problems for themselves and clients. They gain knowledge and understanding in how their choices affect themselves, their communities and the wider world.</p>		
<p>Curriculum Content Overview: All Year 7 students will study all three DT subjects outlined below for one term but not necessarily in this order. For example, Autumn: Food. Spring: Product Design. Summer: Textiles.</p>		
<p>Food rotation Subject leader: A. Thompson Students in Food Preparation and Nutrition will learn where food comes from, how to cook a range of dishes safely and hygienically and to apply their knowledge of healthy eating. Students will:</p> <ul style="list-style-type: none"> Recall and apply the principles of <i>the eat well guide</i> and the 8 tips for healthy eating, to their own diet. Demonstrate a range of food preparation and cooking techniques. Adapt and follow recipes using appropriate ingredients and equipment to prepare and cook a range of dishes. Recall and apply the principles of food safety and hygiene. Identify how and why people make different food and drink choices. 	<p>Product design rotation Subject leader: D.Bima Students on Product Design learn how to work safely and effectively with machines and tools to create an electronic and wood game to take home at the end of the project. There are some design activities to stimulate creative design and sketching skills. Learning about the social and environmental impact of products is embedded in the project.</p>	<p>Textiles rotation Subject leader: A.Winters Students learn how to design and make a high quality re-usable shopping bag made from sustainable materials and inspired by a theme. Key skills include using the sewing machine safely, independently and accurately, designing patterns and sublimation printing. We consider the impact of our product on the environment.</p>
<p>How will your child be assessed? In each DT subject students will be given verbal feedback during lesson time on all practical activities undertaken. Their final product will be formally assessed. They will sit a short end of year theory test, in June, which will contain nine questions, three for each DT subject studied.</p>		
<p>Assessment Revision Topics for end of year test: Food: Planning and Evaluation, Food Preparation Skills, Food and Nutrition, Food Safety, Food Science, Food Choice and Food Provenance. Product Design: Generating design ideas, Making techniques, Product analysis, packaging, sketching Textiles: Materials and the environment, Generating Design Ideas, Making techniques.</p>		
<p>What can you do to support your child in DT? Talk with them about their projects. Ask them to recall what the project is and describe what they are designing and making. Ask who it is for, what it will do, what it will be made from and why?</p>
