Subdivision 1. The Principal shall submit a written application for leave to the School Board at least three (3) months prior to the desired start of the leave.

Subdivision 2. The leave shall begin at a date determined by the Superintendent in consultation with the principal and may be for a mutually agreed upon time, not to exceed 15 months. In determining the beginning date, if there is no mutual agreement, the Superintendent shall take into account individual capacities and characteristics, the ability to perform specific duties of employment, efficiency, personal medical safety, willingness to continue work, and the educational program. The Superintendent may request the principal to furnish a statement from the principal's attending physician to help determine personal medical safety.

Subdivision 3. Prior to the expiration of the leave, the principal shall signify intent to return to duty in writing, the principal shall be reinstated to his/her original position or to a position of like status. In determining the actual date of return to duty, the Superintendent shall consult with the principal in an attempt to determine a mutually agreeable date of return. A sabbatical leave is not to be regarded as an increased vacation, as opportunity for increased financial advantage to the principal, or as due him/her because of length of service. Sabbatical leave is an investment of school district funds designed to increase the effectiveness of the faculty and/or administration. For a leave to be granted it must be properly shown that it is advantageous to the school district. The following criteria apply:

A calendar covering the projected activities for the year must be included with the request.
7. The Superintendent will evaluate and report to the School Board how the objectives and plans of the applicant may be expected to contribute to the applicant's value to the district.
8. Upon returning from a sabbatical leave and before the end of his/her first quarter back at work, the principal shall present to the Superintendent for transmission to the Board a report of his/her activities while on leave. This report should describe all of the important activities of the principal and wherever possible relate these activities to his or her role. Judgment regarding the benefits obtained from the sabbatical should be included in the report.
9. Applications must be made before January 1 for a sabbatical anticipated to commence in August of that same year.

Section 5. Leaves of Absence Without Pay A leave of absence without pay for up to 12 calendar months may be granted to a principal upon written application and subject to the approval of the School Board for the purpose of furthering a principal's education, campaigning for or running for public office, holding public office (for the term of the office) or for other extenuating circumstances.

3. An extended leave of absence may be granted only once.
4. Upon expiration of the extended leave of absence, the principal shall have the right to be reinstated to a position for which the principal is licensed at the beginning of any school year which immediately follows the termination of the extended leave of absence, unless the principal is placed on unrequested leave of absence, or has the principal's contract terminated for cause while the principal is on extended leave.
5. To preserve reinstatement rights the principal must, before February 1 in the school year preceding the school year in which the principal wishes to return, advise the school board of the principal's intention to return.

The number of days indicated at each level shall be considered a maximum and every effort shall be made to expedite the process. Subdivision 5. Filing and Postmark: The filing or service of any notice or document shall be timely if it bears a postmark of the United States mail within the time period.

Section 4. Adjustment of a Grievance

Subdivision 1. Level one: The aggrieved shall meet on an informal basis with her or her immediate supervisor in an attempt to resolve the grievance within twenty (20) days after the grievance occurred or twenty (20) days after

the principal, through the use of reasonable diligence, should have knowledge of the occurrence that gave rise to the grievance.

Subdivision 2. Level two: If the grievance is not resolved within fifteen (15) days of the first informal meeting, the grievance may be reduced to writing and served upon the immediate supervisor. Service must be made within fifteen (15) days of the last informal meeting. The immediate supervisor shall meet with the aggrieved within seven (7) days after receipt of the written grievance. If a resolution of the grievance results, the terms of that resolution shall be written on or attached to the grievance and shall be signed by all parties.

Subdivision 3. Level three: This level is applicable only to the associate principal. All others use level four as the next step in the adjustment process. If the grievance is not resolved within fifteen (15) days of the first level two meeting, the grievance may be reduced in writing and served upon the Superintendent. The Superintendent shall meet with the aggrieved within seven (7) days after receipt of the written grievance. If a resolution of the grievance results, the terms of that resolution shall be written on or attached to the grievance and shall be signed by all parties.

Subdivision 4. Level four: If no agreement is reached within fifteen (15) days of the first meeting of the previous level, the aggrieved may serve a proper notification of the unresolved grievance on the Chairman and Clerk of the School Board. The notification shall contain a concise statement indicating the intention of the party to proceed with the grievance, an outline of the grievance, the provision(s) of the contract in dispute, and the relief requested. The School Board shall meet with the aggrieved within ten (10) days after receiving notice of the grievance. If a resolution of the grievance results, the terms of that resolution shall be written on or attached to the grievance and shall be signed by all parties. If the parties are unable to reach agreement within ten (10) days after the first level four meeting, either party may request arbitration by serving a written notice described in Section of this Article.

Subdivision 5. School Board Review: The School Board reserves the right to review any decision issued under any level of this procedure provided the School Board or its representative notify the parties of its intention to review within ten days after the decision has been rendered. In the event the School Board reviews a grievance under this section, the School Board reserves the right to reverse or modify such decision.

Section 5. Arbitration Procedures In the event that the principal and the School Board are unable to resolve the grievance, the grievance may be submitted to arbitration as defined herein:

Subdivision 1. Request: A request to submit a grievance to arbitration must be in writing signed by the aggrieved party, and such request must be filed in the office of the Superintendent within ten days following the decision in level four of the grievance.

Subdivision 2. Prior Procedure Required: No grievance shall be considered by the arbitrator which has not been first duly processed in accordance with the grievance procedure and appeal provisions.

Subdivision 3. Selection of Arbitrator: Upon the proper submission of a grievance under the terms of this procedure, the parties shall, within ten days after the request to arbitrate, attempt to agree upon the selection of an arbitrator. If no agreement on an arbitrator is reached, either party may request the PERB to appoint an arbitrator, pursuant to M.S. 197.70, Subd. 4, providing such request is made within twenty days after request for arbitration. The request shall ask that the appointment be made within thirty days after the receipt of said request. Failure to agree upon an arbitrator or the failure to request an arbitrator from the PERB within the time periods provided herein shall constitute a waiver of the grievance.

Subdivision 4. Submission of Grievance Information:

a. Upon appointment of the arbitrator, the appealing party shall within five days after notice of appointment forward to the arbitrator, with a copy to the School Board, the submission of the grievance which shall include the following:

1. the issues involved,
2. statement of the facts,
3. position of the grievant,
4. the written documents relating to Section 6 of this Article.

b. The School Board shall make a similar submission of information relating to the grievance within five days after notice of appointment and with a copy to the aggrieved.

Subdivision 5. Hearing: The grievance shall be heard by a single arbitrator and both parties may be represented by such person or persons as they may choose and designate and the parties shall have the right to a hearing at which time both parties will have the opportunity to submit evidence, offer testimony, and make oral or written arguments relating to the issues before the arbitrator. The proceeding before the arbitrator shall be a de novo.

Subdivision 6. Decision: The decision by the arbitrator shall be rendered within thirty days after the close of the hearing. Decisions by the arbitrator in cases properly before him/her shall be final and binding upon the parties, subject however, to the limitation of arbitration decisions as provided in the PELRA.

Subdivision 7. Expenses: Each party shall bear its own expenses in connection with arbitration including expenses relating to the party's representatives, witnesses, and any other expenses which the party incurs in connection with presenting its case in arbitration. A transcript or recording shall be made of the hearing at the request of either party. The parties shall share equally fees and expenses of the arbitrator, the cost of the transcript or recording if requested by either or both parties, and any other expenses which the parties mutually agree are necessary for the conduct of the arbitration.

Subdivision 8. Jurisdiction: The arbitrator shall have jurisdiction over disputes or disagreements relating to grievances before the arbitrator pursuant to the terms of this procedure. The jurisdiction of the arbitrator shall not extend to proposed changes in terms and conditions of employment as defined herein and contained in this written agreement; nor shall an arbitrator have jurisdiction over any grievance which has not been submitted to arbitration in compliance with the terms of the grievance and arbitration procedure as outlined herein, nor shall the jurisdiction of the arbitrator extend to matters of inherent managerial policy, which shall include but are not limited to such areas of discretion of policy as the functions and programs of the employer, its overall budget, utilization of technology, the organizational structure and selection and direction and number of personnel. In considering any issue in dispute, in its order the arbitrator shall give due consideration to the statutory rights and obligations of the public school board to efficiently manage and conduct its operations within the legal limitations surrounding the financing of such operation.

Subdivision 9. No reprisals of any kind will be taken by the School Board or the school administration against any principal because of his/her participation in the grievance procedure.
