

SOUTHGATE COMMUNITY SCHOOL DISTRICT'S 2022 SCHOOL-AGE SUMMER PROGRAM GROGAN ELEMENTARY SCHOOL

PHILOSOPHY

Southgate K.A.R.E is committed to providing a program that meets the needs of the families and elementary school children within our district. It is our belief that elementary-age children should have a safe environment, free from the fear of both physical and emotional harm. We also believe that we can support working parents/guardians by providing a safe, affordable program staffed by professional, nurturing, competent, and responsible people.

Southgate K.A.R.E fosters the development of the total child: emotional, physical, and intellectual selves. The program provides an environment free of constraints of an academic, adult-led day. A variety of enrichment opportunities are provided with adults who support curiosity and exploration. We provide a relaxed, neighborhood-like feel, where inter-age play activities are encouraged.

SUMMER LATCHKEY INFORMATION

- Parents must sign children in and out of the classroom each day.
- Summer camp opens at 6:30 am and closes at 6:00 pm. A late fee of \$2 per minute will be charged for each minute after 6:00 pm.
- Morning and afternoon snack menus will be posted on the parent board
- Please provide children with a packed lunch and drink each day if you are not using the Food Service Program (monthly menu will be provided). Keep in mind that we do not have access to a microwave oven.
- All of your child's items must be labeled with his/her first and last name.
- Please supply children with a backpack daily with a labeled water bottle and sunscreen, if desired. Children will apply their own sunscreen with adult supervision.
- Southgate K.A.R.E will not be responsible for any lost or stolen items brought from home into the summer camp.

FOOD SERVICE

In past years, a free breakfast and lunch program through the district has been available to students at the summer camp for each day in attendance. We will have verification of that continuing shortly. Breakfast and lunch menus will be posted monthly.

SAFE CHILD CARE OPERATIONS DURING COVID-19

- Outside play will be encouraged during the day as weather permits. Wearing a face mask is optional.
- Deep cleaning will be done every day after 6:00 pm
- Shared toys and classroom equipment will be sanitized between uses to the extent possible.
- Staff will monitor and facilitate frequent and regular hand washing throughout the day.
- All spaces will be thoroughly cleaned at the end of each day.
- If a child becomes symptomatic (fever, runny nose, cough, vomiting or diarrhea) they will be isolated in a space away from other children and staff. The child will need to be picked up immediately (within 30 minutes).
- If a child has a fever, exhibits multiple symptoms of COVID-19 or we suspect possible exposure, the child must stay home until: He/she has been fever free for at least 72 hours without the use of medicine that reduces fever AND other symptoms have improved AND at least 10 days have passed since their symptoms first appeared.
