The Miraculous Journey of Edward Tulane

Edward Tulane is an expensive toy rabbit made of china. He is loved by a little girl named Abilene, but the vain and self-centered Edward doesn't care. On an ocean voyage, Edward is accidentally thrown overboard and sinks to the bottom of the sea. So begins his journey—a journey over which he has no control. As years pass by, Edward meets many different people in many different situations, and through this miraculous journey, he learns what it is to love, what it is to lose that love, and how to find the courage to love again. Based on the novel by Kate DiCamillo, adapted by Dwayne Hartford.
