

## Catherine McAuley Award

The Catherine McAuley Award is the highest honor bestowed on a student at Mercymount Country Day School, and is given to one who best exemplifies the Mercy spirit of kindness, compassion, leadership and service.

Do you know of a student who should be considered for this prestigious award? We invite any student, teacher or parent to nominate a student in grades 4 - 7 who fits the description of this award, and who has been active outside of the classroom as well as in the school.

The application (see attached) must be completed and submitted to the Mercy Integration Committee (c/o Julie Lena) no later than Friday, April 29, 2022. At that point, six finalists will be determined and contacted. Recommendations for those finalists are then submitted to a Selection Committee who will review the information and choose the recipient of the award. Parents of the winner will then be notified and informed of the award presentation.
