RE:        Connecticut Neighborhood Assistance Grant
           Library Fan Coils Replacement Project

Within the CIP Budget there is funding to address the Hall Memorial Library fan coils, 16
units in total. In the year 2021, the Town's HVAC Contractor, Actionair replaced 5 more
units that were in need, for a total of 9 units. Four units were replaced in 2020.

In the upcoming CIP budget, Public Works is requesting funding to continue to replace
and install new energy efficient units. Of the remaining 7 units, we are seeking funding
to replace 4 of the larger units in the upcoming 2022 fiscal year. Funding requested in
the Capital Improvement Budget is $100,000 which will cover this year's proposed 4 fan
coil replacements.

I am suggesting the Town apply for the Neighborhood Assistance Grant, NAA, at an
amount of $80,000. This funding will allow the project to move forward and complete
the replacements of the remaining 3 units throughout the facility.

In order to apply for this Grant, the Board of Selectmen must make a motion to move
this project forward. Please place this request for consideration on the March 14, 2022
Board of Selectmen's agenda for consideration.
