**THE COVID-19
IMMUNIZATION
ACTION PLAN**

CAP

As a result of the COVID-19 pandemic and the development of COVID-19 vaccines, the New Britain Health Department has an additional focus on raising COVID-19 immunization rates of eligible children and adults in New Britain.

Evidence shows that the best way to decrease the burden of the COVID-19 pandemic is through high rates of vaccination.

For questions reach out to the **New Britain Health Department CAP Coordinator, Meeghan Doris** at **(860) 612-2777**
