**(COACHES HAVE THE RIGHT TO ADD, CHANGE OR DELETE ANY RULES IN HANDBOOK)**

Membership on the Christopher High School Cheer and Dance Team (“CDT”) offers a unique opportunity for personal growth, leadership, and involvement in diverse activities. The attitude, dedication, self-discipline, and respect for school and others by all members are just as important as the skills involved in spirit leading and are key to the success of the cheer and dance program. All CDT members and coaches must be dedicated to promoting spirit, enthusiasm, and a positive winning attitude through example. CDT members must also understand that the way they conduct themselves, both in and out of uniform, directly reflects on the entire team and school. Consistent enforcement of the rules and regulations in this Handbook are necessary to ensure the safety and general well-being of each individual member.

Participation on the Christopher High School Cheer and Dance Team is voluntary, not mandatory. It is a privilege, and not a right to be a CDT member, and your right to be a member may be revoked by the coaches or by school administration when a cheerleader or dancer violates the team rules and/or regulations.
