I. INTRODUCTION

This document contains a Request for Proposals for providing food service management services for La Vega Independent School District's participation in the United States Department of Agriculture's School Nutrition Programs and sets forth the terms and conditions applicable to the proposed procurement. Upon acceptance, this document shall constitute the contract (Contract) between the offeror and the school food authority.

The Texas Department of Agriculture (TDA) is not and will not be a party to any contract between a School Food Authority (SFA) and a food service management company (FSMC). The school food authority has full responsibility for ensuring that the terms of the Contract are fulfilled. TDA is not involved with the enforcement of this Contract; however, TDA can deny payment for meals received or purchased under an invalid Contract.

II. REQUEST FOR PROPOSALS

A. Legal Notice

Notice is hereby given that La Vega Independent School District, (SFA Name) hereinafter referred to as the School Food Authority (SFA), intends to examine alternatives to its present food service program.

No intent should be construed from this legal notice that the SFA intends to enter into a contract with any party for alternative food service unless, in the sole opinion of the SFA, it is in the SFA's best interest.

All costs involved in submitting a response to this Request for Proposals (RFP) shall be borne in full by the party incurring the said cost.

The offeror to this RFP will be referenced as the FSMC, and any contract that may arise from this RFP will be between the FSMC and the SFA.

The SFA strongly encourages Historically Underutilized Businesses (HUB), Minority and Women Business Enterprises (MWBE), and labor surplus area vendors to compete for this RFP.

B. Request for Proposals

Proposals will be received until 11:00 am (Time) on March 21, 2022 (Date) to supply La Vega Independent School District (SFA) with food service management services during the 2022-2023 School Year, with options for renewal of the Contract for four (4) additional terms of one year each. Price adjustments for renewal options will be limited to a Consumer Price Index (CPI) percentage validated annually.

All FSMCs submitting a proposal must complete all the information required in the RFP, including requested certifications, document responses, and the pricing proposal form. No modifications may be made to any of the standard templates or forms in this RFP to provide a responsive proposal. Proposals received without the completed RFP, certifications, document responses, and pricing proposal form will be considered non-responsive and the FSMC's proposal will be disqualified.

Competitive sealed proposals are subject to all the conditions and specifications attached hereto and will be received in the office of La Vega ISD Administration (Procurement Section) and shall be marked on the envelope "***Food Service Management Proposal***, # 22-CNS-1 (RFP #) and mark on the envelope with respondent's return address.

SFA reserves the right to reject any proposals and to waive any minor technicalities to take the action which it deems to be in the best interest of the SFA.

The contract resulting from this RFP will be for fixed meal prices and commence on July 1, 2022. This standard template provided by TDA must be used for the contract.

Additional information required to respond to this **RFP** may be obtained from SFA's business office telephone (254) 299-6700 (Number). If additional information is provided, it must be shared with all offerors.

Contracts executed based on submitted proposals are revocable if contrary to law. (See Standard Terms and Conditions hereinbelow).

C. Procurement Method

The procurement method will be the Competitive Sealed Proposals method (commonly known as a Request for Proposals or RFP). All procurement transactions shall be conducted in a manner that provides maximum full and open competition consistent with 2 CFR 200.

D. Pre-Proposal Meeting

A meeting with interested offerors to review the specifications, to clarify any questions, and for a walkthrough of the facilities with school officials, will be on March 4, 2022 (Date) at 2:30 pm (Time) Location: 400 E Loop 340 | Waco, TX 76705 (Physical street address of Pre-Proposal Meeting) Attendance is required [Note: If SFA makes attendance by offerors mandatory, then SFA may not waive requirement] Vendor presentations will not be scheduled at this time.

E. Proposal Submission and Award

Each prospective FSMC is to submit 7 (Number) copies of the proposal to the SFA.

All Proposals are to be submitted in a sealed envelope marked "Food Service Management Proposal, # 22-CNS-1 (RFP #). Responses should address each of the requirements set forth in this RFP. Please provide the requested information no later than 11:00 am (Time) CST on March 21, 2022 (Date) to the address below. Responses will be publicly opened at 2:00 pm (Time) CST on March 21, 2022 (Date) to be evaluated per the criteria specified.

To be considered, each offeror must submit a complete response to this solicitation using the forms provided, along with any other documents submitted as a part of the Proposal and considered responsive to this RFP. No other documents submitted with the RFP and the Contract will affect the Contract provisions, and there may be no modifications to the RFP and Contract language. If an offeror modifies, revises, or changes the RFP and/or contract in any manner, the SFA will reject the offer as non-responsive. The Offeror must review Section N to review additional services designated by the SFA. Award will be made only to a qualified and responsible offeror whose proposal is responsive to this solicitation. A responsible offeror is one whose financial, technical, and other resources indicate an ability to perform the services required. The offeror shall submit any requested documentation or qualification data along with the sealed proposal. Failure to furnish such documentation, or the inclusion of any false or misleading

information therein, shall be sufficient cause for the rejection of the Proposal or termination of any subsequent Contract.

Offerors or their authorized representatives are expected to fully inform themselves as to the conditions, requirements, and specifications before submitting proposals. Failure to do so will be at the Offeror's own risk and therefore cannot secure relief on a plea of error. The SFA is not liable for any cost incurred by the offeror in submitting a proposal. **Paying the FSMC from School Nutrition Program funds is prohibited until TDA approval is provided and the Contract is signed.**

If additional information is requested, please contact James Garrett (Contact Name) at 254-299-6700 / james.garrett@lavegaisd.org (Number or E-mail). Any additional information provided to one offeror will be available to all as required to ensure full and open competition.

F. Late Proposals

Proposals will not be accepted after the exact time specified for receipt. Such documents shall be returned unopened to the Offeror.

G. Altering, Amending, or Withdrawing Proposal

No proposal may be altered, amended, or withdrawn after the specified time for opening proposals.

H. Rejection of Proposals

Proposals that do not conform to the requirements of this RFP shall be rejected. Proposals may be rejected for reasons that include, but are not limited to, the following:

- The proposal was received after the submission deadline,
- The proposal was not signed by an authorized representative of the FSMC,
- The proposal contained unauthorized amendments, deletions, or contingencies to the requirements of the RFP,
- The proposal was incomplete or contained significant inconsistencies or inaccuracies.

SFA reserves the right to reject any proposal for a sound, documented reason or to reject all proposals if there is an insufficient number of proposals.

I. Calculation of Time

Periods stated as a number of days shall be calendar days.

J. Firm Offer

By submitting a response to this RFP, and if such a response is not withdrawn before the time for opening proposals, the offeror understands and agrees that it is making a firm offer to enter into a contract, which may be accepted by SFA and which will result in a binding contract. **Such proposal is irrevocable for ninety (90) days after the time for opening proposals has passed.** _____ (Initial) _____ (Date) **FSMC must initial and date here to show agreement.**

III. EVALUATION AND AWARD

A. Evaluation Criteria

Proposals received will be reviewed to ensure all materials have been submitted as specified in this RFP. The contract award will be made to the single qualified vendor that provides the lowest price, most responsive, responsible proposal. A responsible Offeror whose financial, technical, and other resources indicate an ability to perform the services required by this solicitation.

To be considered, each Offeror must submit a complete response to this solicitation using ONLY the forms provided. No other documents submitted with the Request for Proposal/Contract will affect the contract provisions. If documents or modifications outside of the RFP are included in offers, the proposal may be considered unresponsive.

The offeror must be incorporated or licensed to do business in the State of Texas and must be registered with the Food and Nutrition (F&N) of TDA.

The respondents should submit annual reports or financial statements for the past fiscal year in the format of an “accountant’s review,” including notes to the financial statements provided by a certified public accountant. If the offeror is doing business with like school systems and is familiar with the regulations about operations in such environments, the offeror will receive points for that experience in the evaluation of the weighted criteria. If the offeror is presently operating a comparable, successful National School Lunch Program (NSLP) and School Breakfast Program (SBP) in a school setting, the offeror will receive points for that experience in the evaluation of the weighted criteria.

Value-added responses (a response offering goods and services using general terms rather than addressing the specifically defined expectations) are not permitted. SFAs may not provide additional points when evaluating solicitations based on value adds.

SFAs must not change or bypass the published evaluation and scoring criteria to circumvent full and open competition.

B. Award Criteria

Proposals must be evaluated by an SFA committee based on the offer per meal/meal equivalent and the criteria, categories, and assigned weights as stated herein below (to the extent applicable). Contracts must be awarded to the responsive and responsible bidder whose proposal is the lowest price or most advantageous to the program with the price and other factors considered. The cost must be the primary consideration. See United States Department of Agriculture’s Food and Nutrition Service Memo dated November 13, 2015, SP 12-2016. Committee members must consist of SFA employees and representatives familiar with the terms and conditions of the RFP criteria and the evaluation process. Evaluators cannot have any association, personal, or working relationship with the FSMC. Committee members and employees associated with an FSMC will be precluded from participating in the RFP and subsequent Contract process. Each area of the award criteria must be addressed in detail in the Proposal.

The Offeror shall submit a written proposal to address each of the criteria below. The proposal will be evaluated and scored by the SFA’s evaluation committee. The maximum points for each criterion are provided below.

Evaluation Criteria	Maximum Points
Cost (25 points or more)	40
Guaranty in RFP Included in Proposal (maximum of 5 points)	5
Years of Experience in working with Child Nutrition Programs (maximum of 10 points)	10

Total Points (100)	100

The fixed price per meal/meal equivalent may be increased on an annual basis by the Yearly Percentage Change in the Consumer Price Index for All Urban Consumers, as published by the U.S. Department of Labor, Bureau of Labor Statistics, Food Eaten Away from Home [insert one CPI regional index: South-Size Class A (population of metropolitan area over 1.5 million), South-Size Class B/C (Mid-sized and small population metropolitan area with fewer than 1.5 million), or South-Size D (all nonmetropolitan areas)] (CPI). Such increases shall be effective on a prospective basis on each anniversary date of this Contract and will only be permitted if approved in advance by SFA. CPI fee increases for the upcoming Contract renewal year must be submitted to SFA by April 1 of each year. No other fee increases will be allowed.

C. Proposal Protests

Any action which diminishes open and free competition seriously undermines the integrity of the procurement process and may subject an SFA to protests. SFAs/Sponsors are responsible for properly responding to protests and concerns raised by potential contractors. Pursuant to 2 CFR Part 200.318(k), SFAs/Sponsors must have protest procedures in place to handle and resolve disputes relating to their procurements and must in all instances disclose information regarding a protest to TDA.

C. Proposal Computation Method

Estimated totals must be carried out to the second decimal place and must not be rounded.

D. Renewal Assumptions

Assumptions: Financial terms of the Agreement are based upon existing conditions and the following assumptions. If there is a material change in conditions, including, without limitations, changes to the following assumptions, this contract (1) may be terminated at the end of the current term or (2) continue under the same terms as written, whichever is mutually agreed upon.

The distinction between a minor change and a material change cannot be qualified for every action undertaken in the Child Nutrition programs. However, at a minimum, a change is material if, had the new term been in the solicitation and original contract, it could have affected how the bidder and other competitors responded to the RFP.

Services or features contingent on multi-year contracts are not allowable. For example, equipment installation may not be stipulated for subsequent contract renewal years.

1. The SFA's policies, practices, and service requirements shall remain materially consistent throughout the contract term and any subsequent contract renewals. The term materially consistent shall mean that a change does not (1)

materially increase FSMC's cost of providing management service or (2) materially decrease the net revenue derived from the food service operations.

2. Legislation, regulations, and reimbursement rates that create changes in the school lunch program shall be enforced on their effective date.
3. Usable USDA Foods of adequate quality and variety required for the menu cycle, valued at an amount as set forth by USDA per pattern meal for the contract year will continue to be available.
4. The government reimbursement rates in effect shall remain materially consistent throughout the year.
5. Meal components and quantities required by any of the programs selected in V. of this RFP and Contract, Section 2. Scope and Purpose, remain consistent with prior years.
6. Service hours, service requirements, and type/number of facilities selling food and/or beverages on SFA's premises shall remain materially consistent throughout the contract term and any subsequent renewal years.
7. The state or federal minimum wage rate and taxes in effect shall remain materially consistent throughout the year.
8. The projected number of full feeding days is: 174 (Number) and shall remain materially consistent in renewal years.
9. If participating in Seamless Summer Option (SSO), the projected number of full feeding days for SSO is: 31 (Number) and shall remain materially consistent in renewal years. If participating in Summer Food Service Program (SFSP) see Section O.
10. SFA revenue credited to the food service program shall include all state and federal amounts received specifically for CN operations.

E. Contract Cost Increase

The FSMC may negotiate at the end of each one-year contract period for a cost increase. Any proposed increase cannot exceed the annual percentage increase of the Consumer Price Index for All Urban Consumers (CPI-U) for the preceding year.

All contract renewals shall be for a period of one year beginning July 1st and ending June 30th, with mutual agreement between the SFA and the FSMC. Renewal contracts cannot be effective prior to the final approval date by TDA and signed by both parties. Failure to have renewal contracts fully executed prior to July 1st, will lapse this contract, and require the SFA to re-bid the contract unless a written request for approval is submitted to and granted by TDA. Renewal year contracts are contingent upon fulfillment of all contract provisions. If TDA determines during an Administrative Review, Procurement Review, audit, etc., that the FSMC is not meeting contractual obligations and is responsible for non-compliance of program regulations, TDA may decline to approve a renewal contract until it can be demonstrated that the FSMC is capable of meeting contractual obligations and compliance with program regulations.

F. Severability

If one or more provisions of this contract or the application of any provision to either party or circumstance is held invalid, unenforceable, or illegal in any respect, the remainder of this Contract and the application of the provision to other parties or circumstances shall remain valid and in full force and effect.

G. Silence, Absence, or Omission

Any silence, absence, or omission from the Contract specifications concerning any point shall be regarded as meaning that only the best commercial practices are to prevail and that only materials (e.g., food, supplies, etc.) and workmanship of a quality that would normally be specified by SFA are to be used.

H. TDA Review

This Contract may not be executed until TDA approval is provided. Costs incurred prior to TDA approval may not use federal child nutrition funds.

12. The SFA and the FSMC agree that this Contract is neither a *cost-plus-a-percentage-of-income* nor a *cost-plus-a-percentage-of-cost* contract as required under United States Department of Agriculture (USDA) Regulations 7 CFR §210.16(c) and 2 CFR 200.324(d).
13. SFA shall be legally responsible for the conduct of SFA's Food Program and shall supervise the food service operations in such manner as will ensure compliance with all applicable statutes, regulations, rules, and policies including regulations, rules, and policies of TDA and USDA regarding the School Nutrition Programs.
14. SFA shall retain control of the Non-profit School Food Service Account and overall financial responsibility for SFA's Food Service Program.
15. The SFA shall establish all selling prices, including price adjustments, for all reimbursable, non-reimbursable meals/milk, à la carte, and non-program sales (including vending, adult meals, contract meals, concessions, and catering) prices.
16. The SFA shall be responsible for ensuring the resolution of Program reviews and audit findings. FSMC shall fully cooperate with SFA in resolving review and audit issues, and FSMC shall indemnify SFA for any fiscal action, claims, losses or damages, fault, fraud, required repayment or restoration of funds, including reasonable attorney's fees incurred in defending or resolving such issues, that results from FSMC's intentional or negligent acts.
17. The SFA shall monitor the food service operation of FSMC through periodic on-site visits to ensure that the food service is in conformance with USDA program regulations. (7 CFR 210.16(a)(3))
18. If there is more than one SFA Food Service Location, SFA or FSMC, on behalf of SFA, shall conduct an on-site review of the counting and claiming system at each SFA Food Service Location no later than February 1 of each year. If FSMC conducts the on-site review, FSMC will promptly report any findings to SFA. SFA shall always retain responsibility for the counting and claiming system. (7 CFR 210.8(a)(1))
19. FSMC shall maintain all records necessary, in accordance with applicable regulations, for the SFA, TDA, and USDA to complete required monitoring activities and must make said records available to the SFA, TDA, and USDA upon request for the purpose of auditing, examination, or review. (7 CFR 210.16(c)(1)). Records shall be retained in accordance with 7 CFR 210.23(c). The FSMC shall promptly submit all claims information to the SFA by the fifth business day following the month to be claimed.
20. Payments on any claim shall not preclude the SFA from adjusting payment to FSMC of any item found not to have been in accordance with the provisions of this RFP and Contract and bid specifications.
21. The SFA reserves the right, at its sole discretion, to sell or dispense food or beverages, provided such use does not interfere with the operation of the Child Nutrition Programs. Changes to the scope of services to be provided by FSMC beyond the original intent of this RFP and Contract that would constitute a material change to the RFP/Contract will require this Contract to be rebid.
22. FSMC shall cooperate with SFA in promoting nutrition education, health, and wellness policies, and coordinating SFA's Food Service Program with classroom instruction.

23. FSMC shall comply with applicable federal, state, and local laws, rules and regulations, policies, and instructions of TDA and USDA and any additions or amendments thereto, including USDA Regulations at 7 CFR Parts 210, 220, 245, 250; 2 CFR Part 200; 2 CFR 200.318-326, Appendix II to Part 200; 2 CFR 400; 2 CFR 415; 2 CFR 416; 2 CFR 418, and 2 CFR Part 180, as adopted and modified by USDA Regulation 2 CFR Part 417; 7 CFR Part 215 (SMP), if applicable; and 7 CFR Part 225 (SFSP), if applicable; 7 CFR Part 226 (CACFP); and 2 CFR Parts 200.38, 74, & 101(b)(1), and the other laws described in the “Schedule of Applicable Laws,” which is attached to this Contract as “Exhibit I” and fully incorporated herein by reference.
24. Any changes to the terms or conditions of this Contract, which are required by Federal or State law or rule, or changes to Federal or State laws or rules, are automatically incorporated herein, effective as of the date specified in such law or rule.
25. FSMC shall comply with all SFA building rules and regulations.
26. Gifts from FSMC: The SFA’s officers, employees, or agents shall neither solicit nor accept gratuities, favors, nor anything of monetary value from contractors nor potential contractors in accordance with all laws, regulations, and policies. To the extent permissible under federal, state, or local laws, rules, or regulations, such standards shall provide for appropriate penalties, sanctions, or other disciplinary actions to be applied for violations of such standards as outlined in the SFA’s written code of conduct. (See SP 09-2015; and 2 CFR Parts 200.112 & 318)
27. Any additional payments to the SFA or any foundations or organizations associated with the SFA that are unrelated to food services, such as money or rebates for school improvements and student scholarships, are not allowable.
28. The ☒ SFA or ☐ FSMC shall obtain and post all licenses and permits that it is required to hold under federal, state, or local law.
29. In all services operated by the FSMC for the SFA’s School Nutrition Program, the parties shall operate the Program according to federal, state, and local regulations.
30. If the FSMC provides management services for the Fresh Fruit and Vegetable Program (FFVP) at any of SFA’s Food Service Locations, SFA and FSMC shall operate the FFVP in accordance with the requirements of Section 19 of the National School Lunch Act, all applicable regulations and policies, and the FFVP Handbook for Schools, as well as USDA guidance issued via memorandum and the Administrative Review Manual (ARM). SFA and FSMC further agree that not more than 10% of the total funds awarded to the school and/or schools for the operation of the FFVP may be used for administrative expenses.

B. Food Service

1. FSMC shall serve meals on such days and times as aligned to the district calendar and the nutrition programs the SFA has indicated in Section A, Scope and Purpose in this document as requested by the SFA.
2. SFA shall retain control of the quality, extent, and general nature of food service.
3. FSMC shall offer free, reduced-price, and full-price reimbursable meals to all eligible children participating in SFA's Food Service Programs indicated in Section A, Paragraph 2 herein.
4. For an FSMC to offer à la carte food service, the FSMC must offer free, reduced-price, and paid reimbursable meals to all eligible children.
5. FSMC shall provide meals for all programs operated by the CE that meet the meal pattern set by USDA. TDA provides detailed information on applicable meal patterns in the *Administrator's Reference Manual* (ARM) which is available at *Squaremeals.org*.
6. FSMC shall receive no payment for meals that are spoiled or unwholesome at the time of serving, which does not meet the detailed specifications for each food component or menu item in accordance with 7 CFR 210.16(c)(3), or that do not otherwise meet the requirements of the contract.
7. FSMC shall promote maximum participation in the Programs.
8. FSMC shall provide the specified types of service in the schools/sites listed in Exhibit A.
9. FSMC shall sell on the premises only those foods and beverages authorized by the SFA and only at the times and places designated by the SFA, and that meet School Nutrition Program requirements.
10. FSMC must make substitutions in the food components of the meal pattern for students with disabilities when their disability restricts their diet as stated in the students' Individual Educational Plans (IEPs) or 504 Plans and when the need for the substitution is certified by an appropriately licensed medical practitioner. Substitutions for disability reasons must be made on a case-by-case basis only when supported by a written statement of the need for substitutions that includes recommended alternate foods unless otherwise exempted by FNS. Such a statement must be signed by an appropriately licensed medical practitioner (reference: 7 CFR 210.10(g)(1); SP 40-2017; SP 26-2017; and SP 59-2016). The FSMC may make a substitution for those nondisabled students who are unable to consume regular breakfast or lunch because of medical or other special dietary needs. Accommodations for special dietary needs for students without medical disabilities are an SFA decision. If a substitution is made to accommodate the special dietary needs of one student, the same accommodation must be made for all students with the same dietary need (reference: 7 CFR 210.10(g)(2)). There will be no additional charge to the student for such substitutions. (USDA, *"Accommodating Children with Special Dietary Needs in the School Nutrition Programs Guidance for School Food Service Staff"*.)
11. FSMC shall make substitutions for fluid milk for non-disabled students who cannot consume fluid milk due to medical or special dietary needs. Substitutions shall be made when a medical authority or student's parent or legal guardian submits a written request for a fluid milk substitute identifying the medical or other special dietary need that restricts the student's diet. Notification of fluid milk substitutions shall remain in effect until the medical authority or the student's parent, or legal guardian revokes such request in writing, or SFA changes its substitution policy for non-disabled students. Fluid milk substitutes shall provide nutrients as required by federal and state regulations. There will be no additional charge to the student for such substitutions. (Reference 7 CFR 210.10(d)(3) and 7 CFR 220.8)

C. Use of Advisory Group/Menus

1. SFA shall establish, and the FSMC shall participate in the formation, establishment, and periodic meetings of an SFA advisory board composed of students, teachers, and parents to assist in menu planning. (Reference 7 CFR 210.16(a)(8))
2. FSMC shall serve meals that follow the 21-day menu cycles that meet the food specifications contained in Food Specifications, which is attached to this Contract as “Exhibit F” and fully incorporated herein, and that meet School Nutrition Program requirements. The 21-day cycle menus developed and provided by the SFA allows the FSMC to determine the bid price. These menus should be followed without any changes to specifications unless agreed upon by the SFA. Such changes may not result in a different fixed rate. The menus are attached to this Contract as “Exhibit M” and fully incorporated herein. At a minimum, such food specifications shall include: (i) a recipe for each menu item that includes the total yield, portion size, ingredients, and all USDA-required nutrient information; (ii) the identity of all branded items that may be used in the meal; and (iii) whenever possible, the grade, style, and condition of each food item and other information that indicates the acceptable level of quality for each food item. FSMC shall provide a detailed recipe for each Food Specification identified for the 9th day in the NSLP menu cycle. A hard copy of these recipes shall be kept on file at SFA.
3. FSMC must follow: (i) the 21-day menu cycle and food specifications developed by the SFA for the NSLP; (ii) the 21-day menu cycle and Meal Specifications developed by SFA for the SBP; (iii) the 21-day menu cycle and Meal Specifications developed by SFA for the After School Snack Program; and (iv) the 21-day menu cycle and Meal Specifications developed by SFA for the Summer Program. (Reference 7 CFR 210.16(b)(1)) or any other program operated on behalf of the SFA.
4. FSMC shall serve à la carte items that meet all state and federal School Nutrition Program requirements. FSMC shall provide documentation that demonstrates that all non-program foods and meals, such as à la carte items, comply with all applicable School Nutrition Program requirements.
5. FSMC may not change or vary the menus after the first menu cycle for the NSLP, SBP, ASCP, Summer Program, or the à la carte items without the written approval of the SFA. SFA shall approve the menus no later than two weeks prior to service. (Reference 7 CFR 210.16 and 7 CFR 210.10) Any changes or variances requested by an FSMC for substitutions to the SFA menu of lower quality food items shall be justified and documented in writing by FSMC. FSMC must maintain documentation for substitutions and justification of lower quality food items for the records retention period that is applicable to food production records and shall make such documentation available to SFA, TDA, and USDA for review upon request. (7 CFR 210.16(c)(1) and 7 CFR 210.23)
6. FSMC must submit an FFVP (Fresh Fruits and Vegetable Program) cycle menu based on the information contained in the 2004 Resource, *Fruits and Vegetables Galore: Helping Kids Eat More*, (available from the FNS website, and as described in current guidance from USDA and TDA) if operated.
7. FSMC must comply with SFA’s local wellness policy. In addition, the FSMC must comply with all state and local laws that affect school meal preparation and/or service.

D. Purchases

1. Whether the SFA conducts its procurement or whether the FSMC procures products on behalf of the SFA, FSMC may not require any additional liability coverage, regardless of dollar value, beyond that which SFA would require under procurements not involving FSMC.
2. FSMC shall document and track all FFVP expenses separately and make this documentation easily accessible for SFA or TDA review. Cost should be broken into two categories: (1) operational cost and (2) administrative cost.
 - a. Operational costs should cover the primary cost to run the FFVP to include the purchase of fruits and vegetables, including the cost of pre-cut produce and delivery charges; non-food items or supplies that are

used in serving and cleaning; and salaries and fringe benefits for employees engaged in preparing and distributing fresh fruits and vegetables and in maintaining a sanitary environment.

- b. Administrative costs are used principally to support planning and to manage the program. The SFA is required to strictly scrutinize all requests for reimbursement of FFVP costs, to ensure that those costs are: (i) allowable; (ii) actual costs; (iii) fully documented; (iv) utilized to purchase fresh fruits and vegetables in accordance with applicable law and regulations; and (v) do not request reimbursement for more than 10% for administrative costs. TDA will monitor the SFA and FSMC to ensure strict compliance with this provision.
 - c. The FSMC must return the full value of USDA Foods to the CE.
3. FSMC shall complete such purchasing activities in a manner that does not result in duplication of services or expenses in accordance with 2 CFR Part 200.318(d). An FSMC and SFA shall ensure that no conflict of interest exists between the third-party purchasing agent if any, and the SFA's contracted FSMC. The FSMC must not procure additional goods or services beyond what is stipulated in this Contract from the FSMC, the FSMC's parent company, or any subsidiaries of the FSMC's parent company to avoid duplication of services.
 4. SFA shall ensure that FSMC shall comply with all applicable competitive bidding and open competition requirements for such purchases, as set forth in 2 CFR Part 200, including but not limited to 2 CFR 200.318-327. In addition, SFA shall ensure that FSMC shall comply with all applicable federal, state and local laws, rules and regulations, policies, and instructions of TDA and USDA and any additions or amendments thereto, including USDA Regulation 7 CFR Parts 210, 220, 245, 250; 2 CFR Part 200; 2 CFR 200.318-327, Appendix II to Part 200; 2 CFR 400; 2 CFR 416; 2 CFR 418 and 2 CFR Part 180, as adopted and modified by USDA Regulation 2 CFR Part 417; 7 CFR Part 215 (SMP), if applicable; and 7 CFR 225(SFSP), if applicable; 7 CFR 226 (CACFP); and 2 CFR Parts 200.38, 74, & 101(b)(1).
 5. SFA and FSMC acknowledge that to the extent required by 7 CFR 250.17(e), 2 CFR Part 200, SP 38-2017, and SP 32-2019, SFA must, to the maximum extent practicable, purchase only domestic food and food products for the National School Lunch Program and School Breakfast Program that are produced and processed in the United States using over 51% domestic foods, by weight or volume. As required by the Buy American provision, all products must be of domestic origin as required by 7 CFR Part 210.21(d). A "domestic commodity or product" is defined as one that is either produced in the U.S. or is processed in the U.S. substantially using agricultural commodities that are produced in the U.S. as provided in 7 CFR 210.21(d). Exceptions to the Buy American provision should be used as a last resort; however, the SFA only may approve an alternative or exception. Requests for exception must include the: a) Alternative substitute(s) that are domestic and meet the required specifications: i) Price of the domestic food alternative substitute(s), and ii) Availability of the alternative domestic substitute(s) in relation to the quantity ordered; and b) Reason for exception: limited/lack of availability or price (include price): iii) Price of the domestic food or food product; and iv) Price of the non-domestic food or food product that meets the required specification of the domestic food or food product.
 6. To indicate a geographic preference, the SFA must check ONLY ONE of the following:
☐ For this contract, SFA requires that FSMC work with the SFA to establish a process for incorporating geographic preference in the procurement of *unprocessed locally raised and locally grown agricultural products*.
☒ For this contract, SFA does not require that FSMC work with the SFA to establish a process for incorporating geographic preference in the procurement of *unprocessed locally raised and locally grown agricultural products*.

E. USDA Foods

1. SFA shall retain title to all USDA Foods.
2. SFA shall ensure that all federally donated foods received by the SFA and made available to the FSMC accrue only to the benefit of the SFA's nonprofit school food service and are fully utilized therein. 7 CFR 210.16(6)

3. SFA shall assure that the maximum amount of USDA Foods is received and utilized by FSMC. (7 CFR 210.9(b)(15))
4. SFA shall ensure that FSMC has credited it for the value of all USDA Foods received for use in SFA's meal service in each School Year. The value of foods received shall appear as a credit on the invoice for the month in which the donated food was allocated except that the contractor must credit the school district for the value of all USDA Foods received for use in the school district meal service in the School Year. This must include the value of USDA Foods contained in processed end products, in accordance with the contingencies in 7 CFR part 250.51(a)
5. SFA shall maintain final responsibility for management and oversight of the procurement for processing agreements, private storage facilities, or any other aspect of financial management relating to USDA Foods. (7 CFR 210.16, 7 CFR 250.50(d))
6. The FSMC will not itself enter into the processing agreement with the processor required in subpart C of 7 CFR part 250; 7 CFR 250.53(a)(8).
7. FSMC will conduct all activities relating to USDA Foods for which it is responsible in accordance with 7 CFR Parts 250, 210, 220, 225, and 226, as applicable.
8. The FSMC shall credit the SFA the value of USDA Foods contained in the end products at the processing agreement value not less frequently than annually. (7 CFR 250.50(c); 250.53(a)(3)). All refunds received from processors must be credited on invoices submitted to the SFA's Nonprofit School Food Service Account. (7 CFR 250.51(a-b)) The method used to determine the donated food values may not be established through a post-award negotiation or any other method that may directly or indirectly alter the terms and conditions of the procurement or contract.
9. FSMC must accept and use all USDA donated ground beef and ground pork products, and all processed end products in the SFA's Food Service Program, and must use all other donated foods, or commercially purchased foods of the same generic identity, of U.S. origin, and of equal or better quality than the donated foods, in the recipient agency's food service (unless the contract specifically stipulates that the donated foods, and not such commercial substitutes, be used). Upon termination of this Contract, or if this Contract is not extended or renewed, FSMC must return all unused donated ground beef, pork, and processed end products to SFA. (7 CFR 250.51(d); 7 CFR 250.52(c); 7 CFR 250.53(a)(5))
10. FSMC further agrees to accept and use all other USDA Foods in SFA's food service. FSMC ☐ may or ☒ may not use (substitute) commercially purchased foods of the same generic identity, of U.S. origin, and of equal or better quality than the USDA Foods, in SFA's Food Service Program. (7 CFR 250.53(a)(6))
 - a. SFA shall consult with the FSMC in the selection of USDA Foods; however, the final determination as to the acceptance of USDA Foods must be made by the SFA.
 - b. Upon termination of this Contract, FSMC must, at SFA's discretion, return other unused USDA Foods to SFA. The value of other unused USDA Foods shall be based on the market value of all USDA Foods received for use in SFA's food service. The market value shall be the allocated value provided to the SFA in the Texas Unified Nutrition Program System (TX-UNPS). (7 CFR 250.51(a))
 - c. At the end of the year, the FSMC shall reconcile the value of USDA Foods received against credits provided on monthly invoices. The contractor shall provide final credit of any balance due to the school district. The total credit given for USDA Foods in each year must equal the USDA Foods, including bonus foods, allocated to the SFA. The credits must also encompass any transfers from other SFAs and/or the state agency accepted in excess of directly allocated USDA Foods.

11. FSMC shall have records maintained and available to substantiate the receipt, use, storage, and inventory of USDA Foods. The FSMC must submit to the SFA monthly inventory reports showing all transactions for processed and non-processed USDA Foods. Failure by the FSMC to maintain records as required by 7 CFR section 250.16 shall be considered prima facie evidence of improper distribution or loss of USDA Foods and the FSMC shall be subject to the provisions of 250.13(e). FSMC shall accept liability for any negligence on its part that results in any loss of, improper use of, or damage to USDA Foods.
12. FSMC shall credit SFA for the full value of all USDA Foods allocated for use in the SFA's meal service during the School Year (including both entitlement and bonus foods) regardless of whether the USDA Foods have been used. If the FSMC acts as an intermediary between a processor and the SFA, the FSMC shall credit the SFA for the value of USDA Foods contained in the processed end products at the USDA processing agreement value, unless the processor is providing such credit directly to the SFA. The FSMC will issue all such credit in full prior to the expiration of each Contract Term. Any extensions or renewals of this contract, if applicable, are contingent upon the fulfillment of all contract provisions related to foods.
13. FSMC will comply with 7 CFR 250.14(b); 250.52, and 250.53(a)(9) concerning storage and inventory management of USDA Foods in accordance with 7 CFR 250.52. (7 CFR 250.53(b)) Failure by FSMC to maintain the required records under this Contract shall be considered prima facie evidence of improper distribution or loss of USDA Foods.
14. FSMC will comply, as applicable, with 7 CFR 250.51 and 250.52 concerning payment of processing fees or submittal of refund requests to a processor on behalf of the SFA, or remittance of refunds for the value of foods processed in products to the SFA, in accordance with requirements in 7 CFR Part 250 subpart C.
15. FSMC shall allow SFA and/or any state or federal representative or auditor, including USDA or their duly authorized representatives, to perform onsite reviews of FSMC's food service operation, including the review of records, to ensure compliance with requirements for the management and use of USDA Foods. (7 CFR 250.53(a)(10))
16. FSMC shall maintain records to document its compliance with requirements relating to USDA Foods in accordance with 7 CFR 250.54(b). (7 CFR 250.53(a)(11))
17. In this fixed-meal rate contract, the proposal/bid rate per meal must be calculated as if no USDA Foods were available.
18. FSMC acknowledges that the renewal of this Contract is contingent upon the fulfillment of all contract provisions herein relating to USDA Foods. (7 CFR 250.53(a)(12))

F. Employees

1. FSMC shall provide and pay a staff of qualified management (and operational) employees assigned to duty on SFA's premises for the efficient operation of the Programs.
2. SFA must designate if current SFA employees, including site and area managers as well as any other staff, will be retained by SFA or be subject to employment by the FSMC. This must agree with the information reported in the List of Charts and Other Attachments, Chart 2, which is attached to this Contract as "Exhibit C" and fully incorporated herein, and the Schedule of FSMC Employees, which is attached to this Contract as "Exhibit E" and fully incorporated herein.

3. Any employees to be transitioned to the FSMC payroll will be identified to include each position and the date of anticipated transition in Section N, Optional Requirements to be included herein.
4. For any employees retained by FSMC, SFA shall provide in Exhibit E a list of each FSMC food service position and the minimum qualifications acceptable to SFA for each position.
5. Any food service position not identified in the above-stated Exhibits shall be an employee of SFA. Such employees shall be supervised on SFA's behalf by FSMC management employees; provided, however, that SFA shall retain the exclusive right to control the terms and conditions of the employment of such supervisory and non-supervisory employees, including, but not limited to, control over their hiring, firing, promotion, discipline, levels of compensation and work duties.
6. If SFA is sharing FSMC employees with other SFAs, SFA shall identify in Chart 6 of the Exhibit C: Charts which is attached to this Contract and fully incorporated herein, each SFA with whom the FSMC employee is to be shared and state the percentage of time each employee will spend with each SFA. SFA's budget shall reflect the percentage of time each employee will work at SFA and for which SFA will be charged.
7. SFA shall have final approval regarding the hiring of the General Manager (Position) assigned to the Food Service Program.
8. FSMC shall comply with all wages and hours of employment requirements of federal and state laws. FSMC shall be responsible for supervising and training personnel, including SFA-employed staff. Supervision activities include employee and labor relations, personnel development, and hiring and termination of FSMC management staff. FSMC shall also be responsible for the hiring and termination of the non-management staff who are employees of FSMC.
9. If provided for in the Proposal, SFA and FSMC may transition SFA's food service employees to FSMC's payroll. If a transition occurs, the FSMC shall give first consideration to current employees of SFA or incumbent contractor when hiring employees to provide services pursuant to this Contract, but FSMC shall not be obligated to hire such employees. SFA shall not pay the cost of transferring SFA employees to FSMC payroll.
10. FSMC shall provide Workers' Compensation coverage for its employees, as required by law.
11. FSMC shall instruct its employees to abide by the policies, rules, and regulations with respect to the use of SFA's premises as established by SFA and which are furnished in writing to FSMC.
12. FSMC shall maintain its personnel and fringe benefits policies for its employees, subject to review by SFA.
13. FSMC shall assign to duty on SFA's premises only employees acceptable to SFA.
14. Staffing patterns, except for the Food Service Director, shall be mutually agreed upon.
15. FSMC will remove any employee who violates health requirements or conducts himself or herself in a manner that is detrimental to the well-being of the students, provided such request is not in violation of any federal, state, or local employment laws. In the event of the removal or suspension of any such employee, FSMC shall immediately restructure the food service staff to avoid disruption of service.
16. FSMC shall cause all its employees assigned to duty on SFA's premises to submit to health examinations as required by law and shall submit satisfactory evidence of compliance with all health regulations to SFA upon request.
17. All SFA and FSMC personnel assigned to the food service operation in each school shall be instructed in the use of all emergency valves, switches, and fire and safety devices in the kitchen and cafeteria areas.

18. To the extent and in the manner required by state law, FSMC shall perform a security (background) check on any FSMC employee that will be working at SFA.
19. FSMC shall not blacklist or require a letter of relinquishment or publish or cause to be published or blacklisted any employee of FSMC or SFA discharged from or voluntarily leaving the service of FSMC or SFA with the intent of and for the purpose of preventing such employee from engaging in or securing similar or other employment from any other corporation, company, or individual.
20. Both SFA and FSMC shall ensure that their employees adhere to the professional standards and continuing education training requirements as required by federal regulations, codified at 7 CFR 210.30, throughout the initial term and all renewals of this Contract. School food authorities that operate the National School Lunch Program, or the School Breakfast Program (7 CFR Part 220), must establish and implement professional standards for school nutrition program directors, managers, and staff, as defined in 7 CFR 210.2. Both SFA and FSMC shall establish and implement the foregoing standards and requirements under this Contract.

G. Use of Facilities, Inventory, Equipment, and Storage

1. SFA will make available, without any cost or charge to FSMC, area(s) of the premises in which FSMC shall render its services. SFA shall always have full access to the food service facilities and for any reason, including inspection and audit.
2. At the commencement, termination, or expiration of this Contract, FSMC and SFA shall take a physical inventory of all non-expendable supplies and capital equipment owned by SFA, including, but not limited to, silverware, trays, chinaware, glassware, and kitchen utensils and all furniture, fixtures, and dining room equipment utilized in SFA's Food Service Program. FSMC and SFA shall mutually agree on the usability of such supplies and equipment and, at the expiration or termination of this Contract, FSMC shall surrender to SFA all non-expendable supplies and capital equipment in the condition in which it was received except for ordinary wear and tear, damage by the elements and except to the extent that said premises or equipment may have been lost or damaged by vandalism, fire, flood or other acts of God, or theft by persons other than employees of FSMC except through the negligence of FSMC or its employees, or for any other reason beyond the control of FSMC. FSMC and SFA will sign a summary of the beginning inventory at the commencement and the expiration or termination of this Contract and keep a copy of each on file with this Contract.
3. At the commencement and the expiration or termination of this Contract, FSMC and SFA shall jointly undertake a beginning and closing inventory of all food and supplies. USDA Foods shall also be inventoried by a separate inventory. FSMC and SFA shall determine whether any portion of the beginning inventory is not suitable for SFA's continued use. Such inventory, when completed, shall become a part of this Contract by incorporation. FSMC shall be responsible for accounting for any difference between the beginning inventory and the ending inventory and shall compensate SFA for any shortfall in inventory not arising from (1) normal wear and tear; or (2) theft, fire, or other casualty loss beyond the control of FSMC and not arising from the negligence of FSMC or its agents. The value of the inventories, except for USDA Foods inventories, shall be determined by invoice cost. The value of USDA Foods inventories shall be the market value, which is the value in USDA's Electronic Commodity Ordering System (ECOS) at the time the USDA Foods are received by SFA.
4. During this Contract, title to all SFA food and supplies shall remain with the SFA.
5. FSMC shall maintain the inventory of silverware, chinaware, kitchen utensils, and other operating items necessary for the food service operation and at the inventory level as specified by SFA.
6. SFA will replace expendable equipment and replace, repair, and maintain nonexpendable equipment except when damages result from the use of less than reasonable care by the employees of FSMC.

DESIGNATION OF PROGRAM EXPENSES

The SFA has deemed the following Program Expense schedule to be a necessary part of this bid specification as an indicator of who will bear ultimate responsibility for the cost. Costs that are not provided for under the standard contract terms and conditions, but are necessary for the effective on-site operation of the food service program and are directly incurred for the SFA's operation, must be assigned by the SFA and included in the RFP. The column selected by the SFA for each expense represents whether the SFA or FSMC is ULTIMATELY responsible for that cost.
