

Cleveland ISD Star Students

Douglass Learning Academy

Week Ending April 1, 2022

- **Carolina Delgado!** (10th grade) Carolina recently completed her last business electives class and will soon become a 'Junior' at DLA. She is a very hard worker and shows great diligence with her coursework. She is a great student in the classroom. Congratulations! on being a STAR student. ~C. Millard
- **Jose Sanchez!** (11th grade) Jose has been working diligently and quietly here at DLA. Last week he completed more work than all of the other students here. Great job Jose! ~B. Simpson
- **Kimberly Lopez!** (11th grade) Kimberly recently started at DLA, and she made more progress this week than any other student. She does an excellent job here and gets along well with everyone! ~A. Pearson
- **Oscar Gonzalez!** (12th grade) Oscar is a student in my welding class at Douglass Learning Academy. He is a great student and has caught on very quickly to the concepts of arc welding. Oscar works very hard at learning as much as he can about Welding. He plans to pursue welding as a career after graduating from Douglass Learning Academy. The staff at DLA wish Oscar the best and a successful career. ~T. Jones
- **Briseida Plata!** (12th grade) Briseida is a wonderful student. She is working diligently to complete all of her coursework. She not only works hard here at school but she also does a lot of her school work at home also. She is very polite, respectful and always has a smile on her face. She is a joy to have in class. ~A. Deshotels
- **Jose Barron!** (12th grade) Jose completed several classes this week, and he always has a smile on his face. ~J. Fritts
