

WAIVERS

The Board of Trustees may request that the State Board of Education waive certain provisions of the Education Code, Title 5 regulations, or the federal law when such provisions prevent the district from offering its students the best possible educational program. The Superintendent or designee, advisory committees, or site councils shall identify the need for the Board to submit waiver requests and shall provide the Board with the necessary information to analyze the need for the waiver.

The Board shall hold a properly noticed public hearing on all waiver requests. (Education Code 33050)

The Board shall include the exclusive employee representative in the development of the waiver.

If the waiver affects a program that requires the existence of a school site council, the school site council shall first approve the request.

For general waivers, the request to the State Board of Education shall include a statement as to whether the exclusive employee representative participated in the development of the waiver and the exclusive employee representative's position on the waiver. General waiver requests shall include a written summary of any objections to the request by the councils or advisory committees. (Education Code 33050)
