

FREE AND REDUCED PRICE MEALS

The Board of Trustees recognizes that adequate nutrition is essential to the development, health, and learning of all students. The Superintendent or designee shall facilitate and encourage the participation of students from low-income families in the district's food service program.

The district shall provide at least one nutritionally adequate meal each school day, free of charge or at a reduced price, for students whose families meet federal eligibility criteria. (Education Code 49550, 49552)

The Superintendent or designee shall ensure that meals provided through the free and reduced-price meals program meet applicable state and/or federal nutritional standards in accordance with law, Board policy, and administrative regulation.

The Board shall approve, and shall submit to the California Department of Education for approval, a plan that ensures that students eligible to receive free or reduced-price meals and milk are not treated differently from other students. (Education Code 49557)

Confidentiality/Release of Records

All applications and records related to eligibility for the free and reduced-price meals program shall be confidential except as provided by law. (Education Code 49558)
