POLITICAL ACTIVITIES OF EMPLOYEES (continued)

Employee Organizations

Employee organizations may use district mailboxes and other means to communicate with employees, subject to reasonable regulation. Employee organizations may have access at reasonable times to areas in which employees work; may use institutional bulletin boards, mailboxes, and other means of communication and may use district facilities at reasonable times for the purpose of meetings. (Government Code 3543.1)

However, employee organizations shall not use district funds, services, supplies or equipment, such as the district mail system, to urge the passage or defeat of any ballot measure or candidate, including any candidate for election to the Board. (Education Code 7054)

Access to district communication channels shall be limited in cases where such access would be disruptive to district operations.

In the event of a concerted action or work stoppage, political activities by employee organizations and individual employees shall be restricted to peaceful informational picketing and other activities allowed by law.
