

**DISTRICT RESIDENCY**

**Criteria for Residency**

A student shall be deemed to have complied with district residency requirements for enrollment in a district school if he/she meets any of the following criteria:

1. The student's parent/guardian resides within district boundaries. (Education Code 48200)
2. The student is placed within district boundaries in a regularly established licensed children's institution, a licensed foster home, or a family home pursuant to a court-ordered commitment or placement. (Education Code 48204)
3. The student has been admitted through an interdistrict attendance option. (Education Code 48204, 48356)
4. The student is an emancipated minor residing within district boundaries. (Education Code 48204)
5. The student lives with a caregiving adult within district boundaries. (Education Code 48204)
6. The student resides in a state hospital located within district boundaries. (Education Code 48204)
7. The student is confined to a hospital or other residential health facility within district boundaries for treatment of a temporary disability. (Education Code 48207)

In addition, district residency status may be granted to a student if at least one parent/guardian is physically employed within district boundaries. (Education Code 48204)

The Superintendent or designee shall annually notify parents/guardians of all existing attendance options available in the district, including, but not limited to, all options for meeting residency requirements for school attendance. (Education Code 48980)

**Proof of Residency**

Evidence of residency may be established by the required number of documents showing the name and address of the parent/guardian within the district. The documents include, but are not limited to, any of the following: (Education Code 48204.1)

1. Property tax payment receipt
2. Rental property contract, lease, or payment receipt

The Superintendent or designee shall make a reasonable effort to secure evidence that a homeless or foster youth resides within the district, including, but not limited to, a utility bill, letter from a homeless shelter, hotel/motel receipt, or affidavit from the student's parent/guardian or other qualified adult relative.

However, a homeless or foster youth shall not be required to provide proof of residency as a condition of enrollment in district schools. (Education Code 48853.5; 42 USC 11432)

**Failure to Verify Residency**

When the Superintendent or designee reasonably believes that a student's parent/guardian has provided false or unreliable evidence of residency, he/she may make reasonable efforts to determine that the student meets district residency requirements. (Education Code 48204.1)

If the Superintendent or designee, upon investigation, determines that a student's enrollment or attempted enrollment is based on false or unreliable evidence of residency, he/she shall deny or revoke the student's enrollment. Before any such denial or revocation is final, the parent/guardian shall be sent written notice of the facts leading to the decision. This notice also shall inform the parent/guardian that he/she may provide new material evidence of residency, in writing, to the Superintendent or designee within 10 school days. The Superintendent or designee shall review any new evidence and make a final decision within 10 school days.

**Safe at Home/Confidential Address Program**

When a student or parent/guardian participating in the Safe at Home program requests that the district use the substitute address designated by the Secretary of State, the Superintendent or designee shall use the substitute address for all future communications and correspondence and shall not include the actual address in the student's file or any other public record. The Superintendent or designee may request the actual residence address for the purpose of establishing residency within district boundaries. (Government Code 6206, 6207)
