CALL TO ORDER

Dr. Wright called the meeting to order at 7:31 pm.

PLEDGE OF ALLEGIANCE

ANNOUNCEMENTS

Dr. Wright noted that Mrs. Zasowski was on zoom and all other Board members were present.

I. PRESENTATION

Mr. Rizzo talked about the move to virtual last week after a significant number of staff members were absent due to not feeling well or close contacts. Also because of the Weather event Friday and this would be less confusing for remaining virtual 2 days and giving families advanced notice. Virtual learning is not a go to move. Mr. Rizzo is monitoring staffing daily and will give as much notice as possible.

Mr. Rizzo gave a brief update on the new guidelines and recommendations which included discontinue assurance testing, mask to stay program, indoor masking within buildings, and encouraged all staff/students to update vaccinations/boosters. He provided a brief presentation on the proposed updates to the Health & Safety plan.

Mr. Rizzo then reviewed the updates the administration is recommending which includes Masking K-12 consistency. SFEA is on board as much as having the buildings open. Mr. Jackson requested updates on the SFEA and the Nurse's perspective.

Mrs. Weingarten stated that ages 12-15 boosters were just approved. There are a large number of students now considered unvaccinated and it should be considered.

Mrs. Hermans made a motion to amend the motion for the current action item to be effective immediately, seconded by Mrs. Deardorff. This is a vote to amend the motion, not on the motion.

Motion carries 6-3 (Mrs. Zasowski, Mr. Shafer and Mr. Jackson were the dissenting votes)

- A. Updates on the 2021-2022 Health and Safety Plan
 - 1. Recent guidance from MCOPH/CHOP/CDC
 - 2. Masking policy
 - 3. Incidentals

Nurse Smith states that the nurses do endorse the plan and in full agreement. Mrs. Zasowski asked if the test to stay, quarantine and contact tracing go away, what her position on masking in high transition? Nurse Smith said yes, they support the masking since they feel it does offer some protection. It was noted that there are 18 nurses and SF is fully staffed right now. They were offered 4 additional full time nurses, however there is no staff out there to fill these positions. The contract tracing is off the table because of volume and the covid hotline established this weekend has helped.

Mr. Shafer asked why there isn't any representation from the teachers. Mr. Rizzo has spoken with Jackie who talks to the executive council and they have the data, administrators and teachers are comfortable with the plan.

II. PUBLIC TO BE HEARD ON AGENDA ITEM ONLY

Maryjo McNamara, Limerick Township - No emergency order anymore, when do masks become a choice.

Jason Finnagan, Royersford - Will file lawsuit anyone voting no tonight, they have a choice to wear a mask

Christine Jambowski, Mont Clare - Please amend to require masking for students, staff and visitors for high and substantial levels

Lauren Day, Phoenixville asking for mandate substantial and high

Mr. Rizzo stated that contact tracing is still going on and being done by administrators

Robin Strzeminski, Royersford - Concern is where is the guidance from the government, in favor of mask mandate

Kate Doyle, Collegeville - Would like the plan to include masking at high and substantial levels

Michael Krantz, Collegeville - Masking should be in line with the covid transmission date, asking for required masks in high and substantial levels

Allison O'Brian, Collegeville - Amend new plan to include substantial and High to be mandated masking

Katie Moretz, Royersford - Student requesting virtual learning to be revisited - Not an agenda item and was asked to speak at the end of the meeting.

Sarah Gelett, Royersford - Asked that the mask mandate continue because testing is difficult to get

Sam Verma, Pottstown - Masking at all levels

Theresa Westwood, Royersford - In favor of the new H&S Plan but would like substantial and high levels requiring masks

Jacob Erickson, Schwenksville - Everyone has the ability to vaccinate, not sure why masking isn't optional

Michael Lebiedzinski, Royersford - Masks don't work

Gary Wheaton, Collegeville - Asks that they go to the state for funding for the proper masks

Mr. Rizzo reviewed the level of transmission levels and noted the change that was made last year. When in high, for Spring-Ford we are looking at 50 positives across all of Spring-Ford territory.

III. ACTION ITEM

Motion to amend the district's 2021-2022 Health & Safety Plan and an extension of the district's masking requirements which would be on the amendment effective immediately by Mrs. Weingarten, seconded by Mrs. Earle.

Mr. Clinton asked for clarification on visitors to which Mr. Rizzo said this applies to the Spring-Ford events. Mr. Clinton asked if someone rents our facilities, they would need to follow their Health & Safety Plan which could be against our Health & Safety Plan. If this is going to be a requirement, who is going to make sure they follow this? Mr. Rizzo said that we are not currently monitoring this but if we do then we will need to hire staff to do this. Dr. Wright stated that if Mr. Jackson is interested in including visitors to follow our Health & Safety plan requirements that would be an amendment.

Mrs. Zasowski asked if our Health & Safety Plan is attached to the use of facilities. Mr. Rizzo stated yes it is included and reviewed but it is not reviewed to check to make sure it's in line with our plan. The Spring-Ford transmission level is what has been referenced, not the county transmission level.

The wording of fully vaccinated is changing and Mr. Rizzo reviewed.

Mrs. Zasowski asked if there could be an amendment at this time to which Mr. Fitzgerald said it would be up to the Board if they would like to made an amendment change.

Colleen Zasowski made a motion to amend the current motion to maintain the masking in high until the county lessen contact tracing, quarantining and test to stay and at that time the and give the superintendent the authority to adjust the H&S plan to recommend masking, second by Mr. Jackson. Ultimately shift that authority to Mr. Rizzo. Mr. Fitzgerald asked for clarification, Mrs. Zasowski said she said if quarantining, test to stay and contract tracing were to go away that Mr. Rizzo would go to masking recommended.

The motion from Mrs. Zasowski is to modify the recommendations from this evening and instead of aligning continuation of masking to community or school-based transmission levels of high or substantial k-12 instead it would be based on the county requirements of contact tracing, test to stay and quarantine. Mr. Rizzo would then have the authority to have the authority to go to masking recommended.

Mrs. Deardorff asked Mrs. Zasowski how to measure significantly high. Mr. Fitzgerald asked for a second in order to continue the motion.

Mrs. Zasowski's clarified motion is: Board of school directors hereby authorizes an amendment to the districts 2021-22 Health & Safety Plan as presented which includes a modification to the plan to align the community transmission standards to be consistent k-12 an extension of the districts masking requirements effective immediately to maintain the masking requirement when in high, to stay linked to high until the county lessens the contact tracing, quarantining, and testing to stay at that time to give the superintendent the authority to adjust from required to recommended. Seconded by Mr. Jackson.

Mr. Rizzo said Mr. Fitzgerald we would have to relax the policy that states a community member is limited to 6 minutes.

Dr. Wright asked for Public comment on the amended agenda item:

Michael Lebiezinski, Royersford - Believes Mrs. Zasowski's amended motion is sensible

Sam Vanburan Limerick - Disagrees with the amended motion and giving authority to Mr. Rizzo

Theresa Westwood, Royersford - H&S is a living breathing document, don't make it complicated. If the county changes the requirements then have another meeting after coming together, gather data and see where everyone is at

Christine Jabrowski Mont Clare - This amendment is very confusing and based on different programs not not sure how it would be measured

Lauren Day, Phoenixville - This decision should be on an elected official, not the superintendent

Kate Doyle, Collegeville - asked the board to vote no on the amended motion

Michael Krantz, Collegeville - asked the Board to vote no on the amended motion

Christine Wright, Oaks - Needs to be based on transmission rates

Debarati Roy, Collegeville - Amendment is complicated and wrong. Board member is elected and should not be on one person to decide

Christian Kengor, Limerick - Supports the amended motion

Alex Teufel, Royersford - Masks aren't effective because students aren't wearing them correctly

Jamie Smith - Supports original amendment

Robin Strzeminski, Royersford - no comment on the motion on the table

Krista Weiss, Spring City - Agrees to amend, the students aren't wearing the masks correctly

Tony Felino, Mont Clare - Agrees with the amendment. Everyone has the opportunity to get vaccines and wear masks if they choose to.

Kim Anderson, Collegeville - Preference is for masks optional on 1/18.

Maryjo McNamara, Limerick - Supports the amendment, Mr. Rizzo is elected by the Board and requests Dr. Wright to abstain from the vote

Jason Finnagan, Royersford - Your job is to educate the students, where is the science and you don't have the right to speak for my kids

Mrs. Zasowski apologizes for the confusion and believes it would have gone better if she was in person. Mr. Rizzo and her worked a while back in August on the masking.

Mrs. Hermans says the most recent recommendations are to continue indoor masking and case incidents, and the amendment is against the recommendations.

Mrs. Sullivan asked for it to be clear on the current motion.

Mrs. Wright noted the current motion on the table is: Board of school directors hereby authorizes an amendment to the districts 2021-22 Health & Safety Plan as presented which includes a modification to the plan to align the community transmission standards to be consistent k-12 an extension of the districts masking requirements effective immediately to maintain the masking requirement when in high, to stay linked to high until the county

lessens the contact tracing, quarantining, and testing to stay at that time to give the superintendent the authority to adjust from required to recommended.

Mr. Fitzgerald summarized and said the motion on the table with the change is if a change at the county level, this would give Mr. Rizzo authority to go from masking required to recommended at his discretion. First vote is to include the clause and amend the action item. Yes vote is to include in the action item, no is to not include it.

Motion to amend the action item fails 3 - 6 (Mrs. Deardorff, Mrs. Earle, Mrs. Hermans, Mrs. Sullivan, Mrs. Weingarten and Dr. Wright were the dissenting votes)

Mrs. Wright noted that the board shall now move to the original action item with the amendment of being required immediately,

Mr. Jackson is concerned about the visitors. Mrs. Deardorff asked about the Basketball team Health & Safety Plan. Mr. Jackson clarified and said anyone that visits. Mr. Rizzo said they will follow our Health & Safety Plan and are facility based. They would follow Spring-Ford while there, then follow YMCA while there etc. The Board can make that requirement if the Board chooses but it comes down to monitoring and we have the right to not approve their Health & Safety Plan if they don't have the standards in place.

The Board moves to the action item motion and seconded amended early in the meeting:

~~A. The Board of School Directors hereby authorizes an amendment to the District's 2021-2022 Health and Safety Plan as presented, which includes a modification to the plan to align the community transmission standards to be consistent K-12 and an extension of the District's masking requirements effective January 18, 2022.~~

Revised Motion:

The Board of School Directors hereby authorizes an amendment to the District's 2021-2022 Health and Safety Plan as presented, which includes a modification to the plan to align the community transmission standards to be consistent K-12 and an extension of the District's masking requirements effective immediately.

Motion carries 6-3 (Mrs. Zasowski, Mr. Jackson and Mr. Shafer are the dissenting votes)

IV. BOARD COMMENT

Dr. Wright noted the upcoming Board retreat.

Mr. Shafer welcomed the new members. Believes in the discussion of the masks, everyone is entitled to their own opinions but would like to be in support of the teachers.

Mrs. Hermans thanked Mr. Rizzo for the clarification of the move to virtual last week. Thankful for the teachers and staff and believes the majority of the staff and community are not those here last week.

Ryan Nice, Limerick - Spoke about the suicide rates and deaths during the pandemic

Roland Olson, Collegville - Thanked Mr. Shafer, Mr. DiBello, Mrs. Zasowski and Mr. Jackson for their leadership

Sam Vanburan, Pottstown - Disagrees with some of the policies and sending students back into schools and sports so quick

Alex Teufel, Royersford - asked if there would be any adjustments for midterms because of the number of students out at this time

Mr. Rizzo stated that there have been discussions about Midterms and Mr. Colier will share soon.

Lauren Day, Royersford - Thanks for keeping masks mandatory

Michael Lebiedzinski, Royersford - Referenced data provided from previous caller

II. PRESENTATION

Mrs. Leiss - Spring-ford celebrates Equity, Diversity and Inclusion with staff and students.
Mrs. Valloor reviewed the inclusive excellence plan and noted that it has 4 major goals.
Action plans were based on the consultant recommendations and then developed with subcommittees. Mrs. Valloor then shared a student experience with bullying in the school.

The concern talked bullying in the classroom as teachers watch and don't respond. The student asks for harder consequences for bullies. Some feedback from alumni was that there would be comments to students on their food for lunches, teachers turning blind eye on racial topics, not having someone to talk to cause they wouldn't understand and some that had allies in teachers. Information should be provided to students and training in teachers such as bias, sensitivity etc. Recommendations from Alumni included a mentor program, training of every employee and students and internship programs. Action steps would be to train the trainer, student panel to ask questions of administration. Policy 128 was looked at and reviewed along with the action plan with what they've learned from the committee and community. Mr. Jackson asked about the committee, subcommittee and the parent subcommittee and what their involvement has been. Committee meets 4 times each month. There are 4 sub committees, they meet 2 times per month and they work on what is needed at that point. Mrs. Zasowski asked about what Mr. Wiley brought to the committee that can be implemented. It helped turn the information into the action plan. Feels there should be a culture shift so that everyone feels safe and welcomed. Mrs. Deardorff asked what inclusive excellent training would entail sensitivity training, acknowledgement and embed it into training that is already planned. Mrs. Weingarten asked what the culture shift would look like. Mrs. Valloor said clubs that include diversity and have Administration buy into it. It might not necessarily be that the students join the club. Mrs. Hermans asked about accountability, Mrs. Leiss said that the EDI Committee and building administration would hold one another accountable. Mrs. Earle was shocked by the letter from the student and that they did not know who to go to and that the teacher did not take action. This is at the building administration level. Mr. Shafer said culture does not change quickly. Mr. Jackson is asking about training, Mrs. Valloor is not referring to race, she is referring to recognition of differences. Another update for the Board would take place by the end of the year. Mr. Rizzo stated they need some time. Mrs. Leiss will hire the most qualified individuals always. She said they will expand the areas from the usually look for candidates. Student Reps are thankful of the committee and the 3 different perspectives. Students want to be involved, student panel and clubs will be taken advantage of.

Code	408
Status	Active
Adopted	March 25, 1991

Purpose

Professional employees and temporary professional employees must have an employment contract that is in conformance with the School Code. This policy establishes considerations for these categories.[1]

Authority

The Board has the authority under law to prescribe employment conditions for the personnel of the school district. Willful misrepresentation of facts material to the employment and determination of salary level shall be considered cause for disciplinary action or dismissal of the employee.

Guidelines

It shall be the policy of this school district that all professional and temporary professional employees shall execute an employment contract upon employment, which shall automatically renew itself each year unless one of the parties shall give notice sixty (60) days prior to its expiration that it will not be renewed, except that nontenured persons upon reaching the status of tenured persons shall be required to execute a new contract.

The contract shall specify those matters contained in statute for professional and temporary professional employees. For part-time employees of a professional category the contract or Board resolution shall be in accordance with this policy.[1]

The contract or resolution shall include:

- the beginning compensation;

The following guidelines are to be followed in the resolution of problems concerning the application of contracts:

- The Board shall be promptly notified of any controversy that arises regarding any error in the salary paid to any employee.

The Board shall be notified of any misunderstanding arising from the application of a given contract.

Purpose

The Board recognizes retention of employees creates stability and continuity within a school district.

When an employee leaves, either voluntarily or involuntarily it is important for the Board to know the reason for the separation.

Exit interviews provide a way for the Board and Administrators to gain insights into problems, difficulties, and dissatisfaction that might not otherwise come to the District's attention.

Exit interviews also provide an opportunity to clarify pay issues, benefits and explain District policies relating to departing employees.

Guidelines

Exit interviews with the Director of Personnel will be scheduled with all departing employees when possible after the letter of resignation is received.

During the interview, pay and benefit issues will be clarified, arrangements for the return of District materials and equipment will be made, and reasons for the termination and future plans of the departing employee will be reviewed.

The Director of Personnel will complete the Spring-Ford Area School District employee separation report (attached) and review any employment-related problems with the Superintendent.

When needed, constructive feedback will be given to the appropriate administrators by the Superintendent.

Title	Reduction of Staff
Code	311
Status	From PSBA

Adopted

Authority

The Board is responsible for maintaining appropriate numbers of administrative, professional and support employees to effectively manage and operate the district and its schools. This policy establishes the manner in which necessary reductions of staff shall be accomplished.[1][2][3]

In the exercise of its authority to reduce staff through suspensions (furloughs) and elimination of positions, the Board shall give primary consideration to the staffing needs of the district, the effect upon the educational program and the financial stability of the district, and shall ensure compliance with law, regulations, collective bargaining agreements, individual contracts and Board resolutions.[4][5][6]

The Board shall not prevent any professional employee from engaging in another occupation during the period of suspension.[5]

Nothing in this policy shall be construed to limit the cause for which a temporary professional employee, or any employee other than a professional employee, may be suspended.[5]

Delegation of Responsibility

The Superintendent shall be responsible for the continuous review of the efficiency and effectiveness of district organization and staffing, and shall present recommendations for reduction in staff for Board consideration when such actions are deemed to be in the best interests of the district.

The Superintendent shall consult with the district solicitor as necessary to ensure that reduction of staff is implemented in accordance with applicable laws.[4][5]

Guidelines

Employees Other Than Professional Employees and Temporary Professional Employees

The employment status of employees other than professional employees and temporary professional employees may be terminated or temporarily suspended whenever deemed necessary in the best interests of the school district, subject to limitations and procedures provided for in collective bargaining agreements, if any.

Temporary Professional Employees

The employment status of a temporary professional employee may be nonrenewed when the employee's position has been eliminated or when the conditions for which professional employees may be suspended otherwise exist, subject to limitations and procedures provided for in collective bargaining agreements, if any.

Professional Employees

The necessary number of professional employees may be suspended for the following reasons:[4]

1. Substantial decrease in student enrollment in the district.
2. Curtailment or alteration of the educational program as a result of substantial decline in class or course enrollments or to conform with standards of organization or educational activities required by law or recommended by the Pennsylvania Department of Education. Such curtailment or alteration must be recommended by the Superintendent, agreed to by the Board, and approved by the Pennsylvania Department of Education. If not prevented by an existing or future provision of a collective bargaining agreement or employment contract, such a suspension may be effectuated without approval of the Pennsylvania Department of Education provided that, where an educational program is altered or curtailed, the district shall notify the Pennsylvania Department of Education of such action.
3. **Consolidation of schools, whether within the district, through a merger of districts, or as a result of Joint Board agreements, when such consolidation makes it unnecessary to retain the full staff of professional employees.**
4. When new school districts are established as the result of reorganization of school districts and such reorganization makes it unnecessary to retain the full staff of professional employees.
5. Economic reasons that require a reduction in professional employees; however, the district is prohibited from using an employee's compensation in the suspension determination. A Superintendent knowingly in violation of this prohibition shall have a letter from the Secretary of Education placed in his/her permanent employee record.

Economic Suspension Requirements -

The Board may suspend professional employees for economic reasons if all of the following apply:[4]

1. The Board approves the proposed suspensions by a majority vote of all school directors at a public meeting.
2. No later than sixty (60) days prior to the adoption of the final budget, the Board adopts a resolution of intent to suspend professional employees in the following fiscal year, setting forth:
 - a. The economic conditions necessitating the proposed suspensions and how the economic conditions will be alleviated by the proposed suspensions,

- including:
- i. The total cost savings expected from the proposed suspensions.
 - ii. A description of other cost-saving actions taken by the Board, if any.
 - iii. The projected district expenditures for the following fiscal year with and without the proposed suspensions.
 - iv. The projected total district revenues for the following fiscal year.
- b. The number and percentage of employees to be suspended who are:
 - i. Professional employees assigned to provide instruction directly to students.
 - ii. Administrative staff.
 - iii. Professional employees who are not assigned to provide instruction directly to students and who are not administrative staff.
 - c. The impact of the proposed suspensions on academic programs to be offered to students following the proposed suspensions, as well as the impact on academic programs to be offered to students if the proposed suspensions are not undertaken, compared to the current school year, and the actions if any, that will be taken to minimize the impact on student achievement.

Professional Employees Assigned to Provide Instruction Directly to Students -

Suspensions, due to economic reasons, of professional employees assigned to provide instruction directly to students may be approved by the Board only if the Board also suspends at least an equal percentage proportion of administrative staff, except when all of the following apply:[4]

1. The Secretary of Education determines that the district's operations are already sufficiently streamlined or that the suspension of administrative staff would cause harm to the school stability and student programs.
2. The Secretary of Education submits the determination to the State Board of Education.
3. The State Board of Education approves the determination by a majority of its members.

The Board may choose to exempt from this requirement any five (5) administrative positions, one of which shall be the Business Manager or another staff member with the primary responsibility of managing the district's business operation.[4]

Order of Suspensions

Data necessary for computation of each professional employee's performance rating and seniority status shall be recorded and maintained to ensure compliance with the required order for suspensions.[7][8]

Performance Evaluation Rating -

Professional employees shall be suspended, within the area of certification required by law for the professional employee's current position, in the following order based on the two (2) most recent annual performance evaluations:[5][7][8]

1. Consecutive unsatisfactory ratings.

2. One (1) unsatisfactory rating and one (1) satisfactory rating.
3. Consecutive satisfactory ratings which are either consecutive ratings of proficient, or a combination of one (1) proficient or distinguished rating and one (1) needs improvement rating.
4. Consecutive satisfactory ratings which are consecutive distinguished, or a combination of one (1) rating of proficient and one (1) rating of distinguished.

Seniority -

When the number of professional employees within each certification area receiving the same performance rating is greater than the number of suspensions, professional employees with the least seniority within each certification area shall be suspended before employees with greater seniority having the same performance rating.[5]

In addition, professional employees shall be realigned to ensure that employees with more seniority have the opportunity to fill other positions within the district for which they are certified and which are currently filled by less senior employees with the same or lower overall performance rating.

Seniority shall continue to accrue during a suspension and all approved leaves of absence.[5]

When there is or has been a consolidation of schools, departments or programs, all professional employees shall retain the seniority rights they had prior to the reorganization or consolidation.[5]

Reinstatement

Suspended professional employees, or professional employees demoted for reasons of this policy, shall be reinstated within the area of certification required by law for the vacancy being filled in the district, in the inverse order by which they were suspended and on the basis of their seniority within the district.[5]

No new appointment shall be made while there is a suspended or demoted professional employee available who is properly certified to fill such vacancy.[5]

Positions from which professional employees are on approved leaves of absence shall be considered temporary vacancies.[5]

To be considered available, suspended professional employees shall annually report in writing to the Board their current address and intent to accept the same or similar position when offered.[5]

A suspended professional employee enrolled in a college program during a period of suspension and who is recalled shall be given the option of delaying a return to service until the end of the current semester.[5]

Local Agency Law Hearings

The decision to suspend a professional employee shall be considered an adjudication for the purposes of the Local Agency Law, and a professional employee subject to such a decision shall have the right to a Local Agency Law hearing before the Board, if a hearing is requested within ten (10) days after being notified of suspension.[5][9]

A decision to nonrenew the employment of a temporary professional employee whose position has been eliminated or who is being nonrenewed for reasons for which professional employees may be suspended, shall be considered an adjudication for purposes of the Local Agency Law, and the employee shall be entitled to a Local Agency Law hearing, if a hearing is requested within ten (10) days after being notified of the decision to nonrenew.

Purpose

In order to certify the fitness of administrative, professional and support employees to discharge efficiently the duties they will be performing and to protect the health of students and staff, the Board shall require physical examinations of all district employees prior to beginning employment and may require health monitoring to prevent the transmission of communicable diseases in the school setting.

Definitions

A physical examination, for purposes of this policy, shall mean a general examination by a licensed physician, certified registered nurse practitioner or a licensed physician assistant.

Health monitoring, for purposes of this policy, shall mean screening or monitoring an employee for specific symptoms that may indicate the presence of a communicable disease, in accordance with guidance from state and local health officials.

Authority

After receiving an offer of employment but prior to beginning employment, all candidates shall undergo physical examinations, as required by law and as the Board may require.[1][2][3]

The Board requires that all employees undergo a tuberculosis examination provided by the district upon initial employment, in accordance with regulations of the PA Department of Health.[1][4]

The Board may require an employee to undergo a physical examination at the Board's request.[1]

An employee who presents a signed statement that a physical examination is contrary to the employee's religious beliefs shall be examined only when the Secretary of Health determines that facts exist indicating that certain conditions would present a substantial menace to the health of others in contact with the employee if the employee is not examined for those conditions.[5][6]

Guidelines

Health Monitoring and Communicable Diseases

The district may require employees to participate in health monitoring by designated staff to check for signs and symptoms of communicable diseases in accordance with guidance issued by state and local health officials and the Board-approved health and safety plan. An employee may request an alternative method of monitoring as a religious accommodation, and designated district staff shall assess and respond to such request in accordance with applicable law, regulations and Board policy. A request for an accommodation that would unreasonably impair workplace safety or cause undue hardship will not be granted.[7]

An employee with a health condition that may render a monitoring method ineffective should notify designated staff so that alternative or supplemental methods may be considered.[7]

Employees exhibiting symptoms that indicate health concerns shall be referred to the school nurse or designated staff for further assessment, and may be excluded from school facilities in accordance with regulations of the PA Department of Health or guidance from state or local health officials for specified diseases and infectious conditions. Employees may return to school facilities when the criteria for readmission following a communicable disease have been met, in accordance with law, regulations or guidance from state or local health officials.[8][9][10][11]

Delegation of Responsibility

The results of all required physical examinations shall be made known to the Superintendent on a confidential basis and discussed with the employee.

In situations in which a district employee is not engaged in the performance of assigned duties, they shall:

1. Refrain from comments that would interfere with the maintenance of student discipline.
2. Refrain from making public statements about the district known to be false or made without regard for truth or accuracy.
3. Refrain from making threats against co-workers, supervisors or district officials.

Violations of this policy may result in appropriate disciplinary action.
