

TEACHER SALARY SCALE MOVEMENT REQUEST FORM

If you intend to change columns on the Teacher Salary Scale during the 2020-2021 school year, you must complete this form and return it to Human Resources no later than 11:15 a.m. on Wednesday, November 27, 2019. All requests for salary advancement are due annually and do not automatically renew from year-to-year in the event requirements aren't met by an applicant.

Below is a summary of the steps involved in requesting movement on the Teachers Salary Scale:

1. Complete and submit this form by the deadline provided; no exceptions.
2. At least three weeks prior to the beginning of a course that you wish to count toward salary advancement, complete the Graduate Credit Approval request for Salary Advancement via My Learning Plan.
3. The Building Principal or his/her designee will review your request via My Learning Plan. If approved, MLP will automatically send the request to central office for final review/comment.
4. Once a course has been completed, be sure to mark the Request for Salary Advancement as completed in MLP. This action will generate the request for tuition reimbursement (if applicable) and will close out the course. Please note that it is your responsibility to update My Learning Plan as changes occur throughout the process.
5. You can log into My Learning Plan to view the acceptance or rejection of your proposed program plan and course approval at any time.
6. Be sure to track your completed coursework on the "Proof of Completion" form (*see attached*) as this completed form will be required at the conclusion of the process.
7. When you believe you have met all of the requirements for salary advancement, please submit the completed "Proof of Completion" form as well as any official, sealed transcript(s) to Human Resources prior to your proposed salary scale movement change date. If you have indicated the 1st pay period as your proposed salary change date and fail to submit your paperwork prior to that date, you will be eligible to submit your paperwork for movement on the 14th pay period of the 2020-2021 school year. If you have indicated the 14th pay period as your proposed salary change date and fail to submit your paperwork prior to that date, you will be required to submit a new Request Form for the 2021-2022 school year as requests for salary advancement do not renew automatically from year-to-year.

Provided you complete the necessary steps and meet all deadlines, you may be eligible for changes in a column effective either the first (1st) or the fourteenth (14th) pay period of the 2020-2021 school year.

Please refer to Section 25.1 of the Teachers Contract for more information regarding Teacher Salary Scale movements.
