PRINCIPAL'S MESSAGE

Happy Spring Kenmore Families,

I love the month of April for multiple reasons, one being the longer days and the opportunity to participate in a variety of warm weather activities.

A big thank you to **Betsy Kurcinka** and **Mariana Lasalle** who have been tirelessly working these past few weeks to beautify our school. You will see evidence of this in our courtyard, and various points around campus. I can't thank them enough for what is to come!

My first experience of the KEPTA Auction was eye opening as to all the work and love that envelopes our school. Thank you to all the organizers and contributors, **Tiffany Masen-Smith, Mariana Lassalle, Anna Nanavati, Sarah Linville, Tiffany Hagen, Laurie Branch, Amy Lowe, Edouard Lassalle, Betsy Kurcinka, Rebecca Ferbrache, Jessie Lewis, Patti Foster** and the many hands behind the scenes.

As COVID restrictions begin to loosen up, our list of school activities are beginning to grow. We hope you will join us for one or more of these events.

He will be drumming with every student and teaching them about customs and traditions in Ghana, Africa. A core group of 5th graders and 4th graders have been learning the drums, gyil xylophones and gourds over the past couple of months and will perform a concert with Sowah on Thursday evening May 5th. We are also hoping to have a school assembly with Sowah – perhaps outdoors - on the afternoon of May 6th TBD. A BIG THANK YOU to the PTA for sponsoring this unique, week long music education experience for our students!!
