

## WELCOME-

We are filled with enthusiasm and excitement for the upcoming summer camp season. Whether you are a new or returning camper, we welcome you and value the opportunity to get to know you as we host you on our beautiful NVCA<sup>TM</sup> campus.

Experienced and dedicated staff members teach our licensed, nonprofit camps and nurture each child in a safe, Christ-filled environment.

More important, the vibrant summer camp atmosphere inspires creativity while providing the opportunity to compete, create, perform, and excel all summer long.

SECOND AND THIRD GRADE MATH CAMP

June 20–24 | 8:30–11:30 a.m. Taught by Brandy Springs Students Entering Second or Third Grade

Math is one subject more likely to cause "summer learning loss." You can ensure your second- or third-grader is on top of their game this summer.

#### Skills taught:

- Graphing
- Multi-digit addition and subtraction with and without regrouping
- Multiplication
- Money and time
- Place value
- Fractions

## FINE ARTS

#### **ACTIVITIES THAT DEVELOP TALENT**

NVCA's Fine Arts specialty camps offer your child opportunities to discover and grow their God-given talents.

June 20–23 | 8:30–11:30 a.m.
Taught by Alanna De Luna
Students Entering Third through
Fifth Grade

This camp will allow our young chefs to learn basic baking skills, build confidence in the kitchen, and nurture their creativity. Plus, they will get to take home a delicious treat each day.

Maximum number of students: 10

# CHOIR CAMP Tropical Escape \$185

July 18–22 | 9:00 a.m.–12:00 p.m. Taught by Taylor Hogan Students Entering Second through Eighth Grade

Summer is here, and we are taking a musical trip to Hawaii. During this weeklong camp, students will practice vocal warmups and breathing techniques, learn to sing in unison and two parts, and rehearse two pieces of music, which we will perform for our families on the final day. We will also dance and explore Hawaiian culture as we sing of a tropical paradise!

#### CERAMICS CAMP ▶ \$250

Week 1: June 6–9 | 12–3 p.m.
Week 2: June 20–23 | 12–3 p.m.
Taught by Melissa Milner
and Alanna De Luna
Students Entering Fourth through
Eighth Grade

Campers expand their imagination and explore the exciting world of ceramic clay and more. Students will learn in a supportive class setting with plenty of individual instruction and inspiration. The cost covers both required weeks of art camp and all supplies. Week one includes hand building with clay. Week two includes glazing of the art piece.

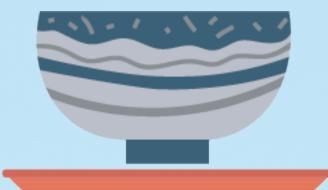

Maximum number of students: 20–24

### SUMMER FUN ART CAMPS \$100

June 13–16 | 9–11 a.m. | Grades 1–3 June 13–16 | 12–2 p.m. | Grades 4–8 Taught by Melissa Milner

Campers challenge their inner artist and discover new ways to express themselves in a different medium each day. At the end of the week, campers have masterpieces of their own to take home.

Maximum number of students per session: 20–24

### BEGINNER PIANO LESSONS \$140

30-Minute Sessions
Seven Weeks | Once per Week
Taught by Catherine Indie
Students from Kindergarten
through Grade Twelve

Mrs. Indie has taught piano for more than 35 years, specializing in beginner and intermediate levels. Whether your beginner student is age five, in fifth grade, or is age 15, the seven-week summer camp is the perfect way to assess if your student is ready and/or interested in pursuing private piano lessons. Piano is the BEST FIRST instrument to learn, as the student will learn to read both treble and bass clefs as well as rhythm patterns. Once a student has learned piano, they have a GREAT foundation to learn any other instrument.

Please email Catherinei@northvalleyca.org to schedule the specific time slots.

## ATHLETICS

#### **ACTIVITIES THAT DEVELOP ATHLETIC SKILLS**

NVCA's sports specialty camps offer your child opportunities to develop as an athlete and a teammate.

#### **NVCA BOYS BASKETBALL**

## STEMY

#### **CONCEPTUALIZE AND CREATE**

For children who love science, technology, engineering, and math, STEM camps will keep them focused and engaged with fun and challenging projects.

BRICKS 4 KIDZ® (Ages 5–11) \$225

## ALL CAMPS ARE MONDAY–FRIDAY Bring lunch box, snacks, and water each day.

NVCA™ is proud to partner with Bricks 4 Kidz, giving our community a fun and engaging program that challenges budding STEM experts to think critically through creative activities and structured play.

#### "Brick Galaxy Far Away" & Robotics June 6–10 | 9:00 a.m.–2:00 p.m.

A long time ago in a pile of LEGO bricks, the forces of an evil galactic empire grapple with a group of small rebels. Some are masters of mysterious force, others have hope and determination, and others are just bumbling droids. And who is that baby with the pointy green ears?

May the brick be with you, as we get ready to take over the galaxy.

#### "Brick Ninja Extreme" & Stop Motion Animation June 20–24 | 9:00 a.m.–2:00 p.m.

Welcome to our LEGO Dojo where we practice the ancient art of LEGO Master Building in preparation for battle against armies of skeletons, slippery snakes, and robot pirates.

We'll build LEGO ninja robots, weapons, and vehicles and learn about the art of Brick-jitsu, with lots of cool projects designed by your friends at Bricks 4 Kidz.

#### "Web-Slingers and Batman" & Robotics July 11–15 | 9:00 a.m.–2:00 p.m.

Got kids who are into spiders—the superhero kind? Or maybe kids who need to "avenge" their LEGO building space in the living room from time to time? Then they're going to love this superhero-themed camp with all kinds of cool LEGO building projects from your friends at Bricks 4 Kidz.

#### "Game On" & Stop Motion Animation July 18–22 | 9:00 a.m.-2:00 p.m.

We know you love Mario, Sonic, Minecraft and more, and so do we! But now it's time to unplug the console and pull out the LEGO Bricks. Get your game on as we brick our way through levels of building, power up with some motor-powered LEGO models, and try to earn a few "extra lives" building mini-figures and 3D sculptures.

Each day is a new adventure as the virtual and LEGO® worlds collide the Bricks 4 Kidz way.
