

International Baccalaureate Pre-Primary Years Preschool

IB PYP is for ALL students!
PYP provides schools throughout the world with an instructional framework that supports the development of rich-content area knowledge and life long learning. The program provides in-depth learning and connectedness among subject areas. It offers inquiry-based learning that is relevant, challenging, significant, and engaging.

Child must be four years of age on or before December 1st.

Tuition based preschool.

Visit our website for application.
