

From the Chair of Governors

March 2022

Dear Parents,

I hope that you and your families are well.

As you will have been aware the Trust did not increase fees in 2020 and in fact varied fees for two terms by 20% to reflect the periods of lockdown. Thankfully, the School is now emerging from the pandemic with strength and optimism.

The Governing Body has carried out its annual review of fees and other charges which will apply from the Autumn Term for the 2022 / 23 academic year. Whilst mindful of the very real impact of the pandemic and current level of inflation on many parents' finances, the Board has concluded that an inflationary fee increase will be necessary and has worked hard to ensure that this is kept to a minimum.

The main items of fees and other charges for the 2022 / 23 academic year for the Prep School are as follows:
