*Most health insurances require at least 12 months since the last well-child visit. It is important to go in-network. Please note if you schedule an athletic physical, ask questions or have the provider look at a prior injury, there will be additional costs that will be processed as a claim. These costs will go toward your deductible and out-of-pocket maximum balances if you have health insurance.

** No health insurance required. It will not be processed as a claim through your health insurance.
