Purpose of the SIC Annual Report

Kathy Hussong, SIC Chair

Each year the SIC and our administration is charged with preparing an Annual Report to the Parents/Community in accordance with South Carolina law. The purpose of this report is to serve as an overview of the current school year’s progress towards goals and objectives outlined in the School Improvement Plan. Inside this letter you will find many facts, success

stories and an overview of our school improvement goals through which we work to close the achievement gap and improve our academic standing. We at HHIHS are fortunate to have an administration, teachers and staff that go above and beyond for our students and their families. Our community and school continue a strong show of support, compassion and

cooperation. I am proud to serve as a parent leader in the HHIHS community and personally ask that you consider becoming involved in our efforts to make our school the best it can be. There is no greater reward than serving our children and their education.
