

The Michigan Great Start Readiness Program (GSRP) is a state funded preschool program for 4-year-old children. In Midland County, GSRP preschool programs are part of the Midland County Quality Preschool Partnership, a voluntary collaboration of agencies that provide state and federally funded preschool services. GSRP classrooms implement Teaching Strategies Gold, a developmentally appropriate and research based curriculum approved by the Michigan Department of Education. Children can attend half day or full day sessions at a variety of locations around Midland County.
