Brownsville ISD Electronic Device Advisory Statement

It is important that you read and sign the cell phone oath. Cell phones or electronic devices are not allowed in the testing site. If it is discovered that you kept a cell phone or electronic device with you during testing, the following may apply:

- * The cell phone or other electronic device(s) can be confiscated on the spot and given to the principal.
- * An investigation will then be conducted to determine if the cell phone or device was used during testing.
- * Disciplinary actions will be decided at the campus level and if needed at the district level.
- * This includes the invalidation of the test.

Print your name and **initial** in **ONLY ONE** of the columns below to indicate your cell phone or electronic device status.
