

THE SAUER HOUR

THE FR. SAUER ACADEMY'S NEWLETTER

APRIL 2022 • ISSUE 8 • VOLUME 2

Congratulations to all of 8th grade for SI acceptances!

**Congratulations to the incoming 6th graders for the
2022-2033 school year!**

Dear FSA Families,

As we look toward our Easter Holiday and Spring Break, we also remember that this is a solemn and joyous time during the year for all Christians in the world. During the month of April, we remember and give thanks for Jesus' resurrection on Easter Sunday, April 17th. Easter is a time for families to be together to celebrate hope and joy for a future filled with less pain and suffering for the world. We celebrate together the opportunity for new beginnings and forgiveness.

I hope that we can use this Easter Spring Break to rest, reflect and give thanks to our entire community! We are so blessed to have one another, and I pray that you will all stay safe and healthy together.

I know that we are all a bit obsessed with Easter eggs and chocolate bunnies, but don't forget to say a prayer for someone less fortunate than you and be of service to someone in need. We could all use a little bit more of that.

Take care, and Happy Easter!

Theresa

PLUSS VERB OF THE MONTH

LOVE • UNITE • PERSIST • SERVE • SEEK • LEAD

In the spirit of Jesus's ultimate sacrifice out of his love for humankind, this month, we celebrate the PLUSS verb "love." At FSA, we strive to become loving leaders, and to demonstrate love through respect and kindness. We spoke to a couple students and faculty about love: where it has been seen and how do students show it at the Academy.

6th-graders Sofia, Samuel, Daniela, Sarah, Miriam, and Casie-Marie talked about how they show love to their peers at FSA. They show love by supporting each other academically through studying as a group to help each other succeed in class. Miriam also jumped in to add that another way that her friends show each other love is through sharing meals. Furthermore, they feel supported, "and in a way, loved," by their teachers, in and out of the classroom.

TAs Ms. Del Corro and Ms. Lozano talked about where they have seen love at FSA. Ms. Lozano said she sees love whenever students uplift and support each other, celebrating their wins and consoling each other for their losses. Ms. Del Corro adds that she feels the love from the students and sees how much they care and root for each other during CYO games or games at recess or lunch.
