Fall Sport Game Information (Coach/Team)

Procedures for entering the gym or soccer field: no passes accepted (Coaches or Officials Cards)

1. All players must wear a mask and watch social distancing at all times while they are not actively playing.
2. Everyone will have temperatures checked upon arrival. Teams arriving by bus must provide a log with names and temperatures.
 - a. Those with a temperature lower than 100.4 may enter the gym or playing field.
 - b. Those with a temperature of or above 100.4 will be asked to go to our designated isolation area to have their temperature re-checked after a 5 minute wait.
 - i. If temperature is below 100.4, the player may enter the gym or playing field.
 - ii. If temperature is still at or above 100.4, the player must leave the gym or playing field. Parent/Guardian will be contacted.
3. Once players enter, a Williamstown representative will log temperature and complete symptom checklist.
4. Williamstown will have a concession stand selling prepackaged food and drinks.
5. Water will not be provided for either team. Players/Teams should bring own hydration.
6. Restrooms will be open, but locker rooms will not be provided for either team.
7. There will be several hand sanitizer stations: at the gate as you enter, at the concession stand, and on the benches.
8. Players should avoid unnecessary physical contact: high fives, fist bumps, handshakes, etc. while playing.
