# German Language Program

See The Difference

- Students enroll in the international program where the language of instruction is English for all classes except the additional language class.
- Non-native German speakers may only enter the German as an additional language program in kindergarten.
- Students attend German classes for four lessons each week.
- Using textbooks and resources from Germany, students learn conversational as well as academic German.
- Enrollment in the program will be based upon seat availability.

*for non-native  
German speakers  
entering Kindergarten*
