

OTHER SOURCES OF FINANCIAL AID

Tuition Waiver—Some MTEC programs are eligible for a tuition waiver through the West Virginia Department of Education.

The following programs are NOT eligible for the Tuition Waiver:

Licensed Practical Nurse	Surgical Technology
Pre-LPN/Medical Assistant	HVAC Technician

No financial aid application form is required for the tuition waiver. Eligibility for the tuition waiver will be determined at the point of enrollment in a program. The tuition waiver is a one-time opportunity. *Seating is limited for post-secondary students in secondary programs.

The following programs ARE eligible for the Tuition Waiver:

Automotive Technology	Building Maintenance & Operations
Careers in Education	Carpentry
Coding, App & Game Design	Dental Assisting
Electrical Technician	Graphic Design
Law & Public Safety	Pharmacy Technician
Plumbing	ProStart Restaurant Management
Welding	

***High School Students are given priority in the Secondary Technical/Health Occupations programs; Post-Secondary opportunities in Secondary programs are limited and oftentimes nonexistent.**

MTEC received funding from the West Virginia Department of Education for 2021-2022 and anticipate receiving funds for 2022-2023. Students were not responsible for fees, uniforms, and textbooks. The savings for the Practical Nurse program was approximately \$2,000 per student.

WIOA (Workforce Innovation and Opportunity Act)--To be considered for WIOA, contact HRDF:

Tabetha Burch (304) 296-8223, Ext. 31 or tburch@hrdfwv.org 1644 Mileground, Morgantown, WV

Caleb Davis (681) 404-6338 or cdavis@hrdfwv.org 320 Adams Street, Suite 103, Fairmont, WV

Lorrie Mayle (681) 285-5629 or lmayle@hrdfwv.org 153 West Main Street, Clarksburg, WV

WIOA funding is limited and based on eligibility as a “**dislocated**” employee or “**adult funding**” for low income (as determined by WIOA). **It is highly recommended that students apply for consideration of this funding.** WIOA requires that you complete the FAFSA but do not have to be eligible for the Pell Grant to qualify for WIOA. **These funds typically cover all expenses beyond tuition (if Pell eligible) for health occupations programs at MTEC. Beyond the fees, textbooks and uniforms that MTEC will cover, WIOA should reimburse eligible students for physical, immunizations, shoes, watch, stethoscope, CPR, criminal background check, NCLEX, State Board exam, AMT certification, NHA testing fee (students receive a budget with acceptance letter). Receipts are submitted to HRDF. This is a process that may lead to great financial benefits for a student.**

IN MOST CASES, IF A STUDENT IS NOT PELL ELIGIBLE, WIOA FUNDS WILL COVER TUITION and remaining costs. WIOA benefits are very limited and distributed on a first-come basis. If interested, do NOT delay applying.

Loans—MTEC does not process Stafford/Direct Loans through the FAFSA application (respond “No” to loans on the FAFSA). With the private student loan laws, Wells Fargo informed MTEC effective 10/2020 that they are no longer providing student loans. MTEC has no knowledge of existing private student loans at this time.

In addition, MTEC students are not eligible for the West Virginia Higher Education Grant as this grant only applies to Associate Degree and Bachelor Degree programs.
