Suncrest Elementary Parent Newsletter

2/14-Valentine's
Day celebrations

2/15-100th day of
school

2/17-LSIC
meeting 5:30 PM
in the cafeteria

2/18-2-hour early
out for students

Note from the Principal:

February is a busy month in a school. We are anticipating the Valentine's Day activities, the 100th day of school, and many other things. During the month of February we are focusing on the character trait of EMPATHY-learning how to "walk in someone else's shoes." Our theme for the month is "Advocating for Rights." I am sure you are aware of the county's new COVID protocols. It is important that students and staff wear a mask at all times. (except for breakfast and lunch), keep as much distance as possible and wash hands frequently.

Important dates:

**2/16-NAEP assessment for
selected 4th graders**

2-21-NO school

**2-22-Special Day 2/22/22-its all
about "two."**

2/23-Intruder Drill at school.

**2/24-Shining Star Ceremony
during lunch**

We want to congratulate Mrs. Joni Jones, 5th grade teacher for being awarded the Presidential Award for Excellence in Mathematics and Science Teaching. She was one of 117 teacher across the nation to be selected.

We are still maintaining social distancing as much as possible and during lunch, students are sitting only two students to a table. Wearing a mask is the most important defense against the COVID-19 virus.

As a reminder that car rider line ends at 8:25 each morning. If you arrive after 8:25, you will need to park and walk your child into the building. Please only use the car rider line if you are dropping off your child. The bus line and the attached parking lot is not for parking and dropping off your child. You must use the car rider line.

We are planning to have Spring Field Trips, but that could change depending on COVID and protocols.
