August 2020

Dear Student and Parents

COVID-19 has forced us to make many changes to our personal lives and also within our organization, including transportation. This year Delphos City Schools will continue to provide transportation but in order to do that safely, the following changes have been made.

- All drivers and passengers will be required to wear a face covering. This is not optional and exemptions will not be made.
- Students will be spaced out to the best of our ability. All riders will have assigned seats and siblings will sit together.
- Students will not be dropped off at school until 7:40 AM.
- We will not provide transportation to students to go home with a friend.
- Daily riders must have a bus registration form completed to ride a bus. This includes shuttle routes.
- *All rules are subject to change based upon guidance received from state and local officials.*

We thank you in advance for your cooperation and understanding

Sincerely,

Doug Westrick
