

DELPHOS CITY SCHOOLS CHROMEBOOK REPAIR FEES

The case provided with your Chromebook provides ample protection from normal wear and tear. Do not put anything inside the case other than in the outside pockets provided. Putting anything inside the case with the Chromebook can potentially damage the screen. Do not leave the Chromebook on the floor. This can lead to something being spilled on the device or someone stepping on it which will crack the screen.

Report any issues with the Chromebook to the tech coordinator as soon as possible. These issues could include keys not working or sticking, screen flickering or dark spots, not holding a charge.

The Chromebooks provided are very durable, but components sometimes fail due to normal use. The tech coordinator will determine if a part has failed due to normal wear and tear or negligent damage. The fees for such damage are below.

- Broken or cracked screen **\$65**
- Damaged or lost Chromebook case **\$25**
- Damaged or broken keyboard full replacement **\$65**
- Lost or damaged charger **\$25**
- Lost Chromebook **\$300**

If a student forgets a charger at home one will be provided to them. If the charger is not returned to the office in three school days they will be charged the lost or damaged charger fee.

We acknowledge and agree to the guidelines and expectations listed in this agreement
