COMMUNITY COLLEGE SCHOLARSHIPS \$\$\$ FOR SENIORS

From NCTC: Our NCTC scholarship office is currently accepting scholarship applications for the summer 2022, and fall 2022 semesters- applications close April 15th.

<https://www.nctc.edu/scholarships>

From TCC: TCC Scholarship deadline has been extended to April 15th!

The TCC Foundation Scholarship Application is open through April 15, 2022, for fall scholarships. The general application will match you to over 500 scholarships. This is free money that doesn't have to be paid back. We have many scholarships for new TCC students.

You only need to submit your application by April 15th with one professional reference to be considered. For your reference, family and friends are not acceptable references, but you can ask a professor, supervisor, mentor, advisor, coach, pastor, or anyone else who will speak well of you. Once someone has agreed to be a reference for you, you will add their information to your application. The reference section is under the essay, click on the Add a New Reference link and enter the name and email for the reference. Once you save the application, the system will email

the reference with instructions on how to complete an online reference for you. The email will come from scholarship@tccd.edu.

Applying for scholarship funds is easy! Here are the steps to complete the process:

- Sign into the [ScholarshipsForMe](#) website using your TCC email and password.
- Review the helpful hints at the top of the page to improve the quality of your application.
- Complete the application, which includes providing up to 3 references, and writing a brief essay.

Important dates to remember:

- April 15th at 11:59 p.m. – Scholarship application closes
- April 15th at 11:59 p.m. – Online references due
- May 1st at 11:59 p.m. – FAFSA deadline for need-based scholarships

If questions, contact the TCC Foundation at scholarship@tccd.edu or call 817-515-5277.
