INSTRUCTION TO Agent(s)

A. RFB Introduction and Intent

The Macomb-Oakland-Wayne RESA Consortium known as MOR is a purchasing cooperative that is soliciting bid proposals for competitive negotiations for administrative services from Agent(s). Currently the MOR consortium is made up of 122 districts throughout Michigan. Agent(s) bidding should be aware that the names and number of districts/entities will change yearly on the commodity side of the business as per the Michigan Department of Education's process for Commodity consortium sign-up.

The MOR Consortium Board may select one and/or more Agent(s) to fulfill the role of and provide the administrative services on behalf of MOR Board and members.

THE MOR Consortium is soliciting proposals from qualified agents who can provide administrative services on behalf of MOR to its School Food Authority (SFA) members. In the capacity of administrator, the "Agent(s)" will manage the USDA Foods diversion process, conduct procurement, provide all Consortium members with excellent customer service, training, communication, required reports including Planned Assisted Level (PAL) and purchase data reports. The Agent(s) will monitor and manage commercial purchasing processes in accordance with USDA program procurement requirements.

MOR seeks an Agent(s), who will facilitate the consortium's goal to increase membership, implement operational cost savings and efficiencies, enhance vendor relationships and support member districts to develop and sustain best business practices for their school foodservices. The MOR Consortium believes strongly in providing its members with the lowest prices possible with the highest quality of service. MOR wants to create a partnership with our administrative agent (s) and vendors that is mutually beneficial to its members and partners.

The term of the contract will be July 1, 2022 to June 30, 2022. The contract will include an option of up to four (4) additional one (1) year contract renewals if agreed upon by both the MOR and the Agent(s).

Year 1: July 1, 2023 through June 30, 2024

Year 2: July 1, 2024 through June 30, 2025

Year 3: July 1, 2025 through June 30, 2026

Year 4: July 1, 2026 through June 30, 2027

Year 5: July 1, 2027 through June 30, 2028

MOR considers this RFB legally binding and will require that this RFB and the resulting successful Agent's Proposal(s) be incorporated by reference documents into any subsequent agreements between the successful Agent(s) and The MOR Consortium. It shall be understood by the Agent(s), that this means that The MOR Consortium expects the Agent(s) to satisfy all requirements listed herein. Exceptions shall be explicitly noted in your Proposal. Lack of exceptions listed on the Individual Response Forms will be considered acceptance of all the specifications and terms as presented in the RFB. The awarded contract will represent the contractual requirements listed in the RFB, attachments to the RFB, amendments to the RFB, and Selected Agent(s) Proposal. Failure to execute the awarded contract will disqualify winning Agent(s). In that event, the next most responsible and responsive Agent(s) with the highest point score will be selected. The MOR

Consortium reserves the right to rebid the administrator services if RFB responses do not meet the required criteria as listed below.

All costs including but not limited to those related to the development of services, supplies, technology, compliance with the Buy American Provision, nutrition information, and the Single Bank System will be incurred by the successful Agent(s) and will not be charged back to The MOR Consortium. In the event the Agent(s) fails to correct the default to the satisfaction of the MOR Consortium, the MOR Consortium shall have all rights accorded by law, including the right to immediately terminate the Agreement. -

4. The Agent(s) agrees that, in the event either party deems it necessary to take legal action to enforce any provision of the Agreement, and in the event the MOR Consortium prevails, the Agent(s) shall pay all expenses of such action including the MOR Consortium's attorney fees and costs at all stages of the litigation.
