

HERSHEYPARK®

Some good news as we approach warmer weather... The PTO is once again able to offer HERSHEY PARK tickets at a greatly reduced cost of close to 50% off. This time around, admission tickets do not expire until January 1, 2023, which means to get to save your tickets for their holiday light display and more! We've also included discounted parking tickets for your added benefit. No food or snack vouchers are available this year.

Reservations are required to guarantee admission upon arrival and tickets are non-refundable. Please visit hersheypark.com for complete park admission and safety protocol details.

Ticket sales begin today with orders due by **Monday, April 25th, 2022.** **No orders will be accepted after this time.** Tickets will be available for pickup and distribution in mid-May.

Tickets may be ordered through the following links:
