Greetings Walsh Families,

Welcome Spring! As we head into the our final months of the 21-22 school year we continue to be amazed by our students and community! Not only are the students working hard in the classroom but they are enjoying playing organized sports with El Toro's Boys and Girls Club at lunch recesses 3 times a week. For those that prefer non-sport activities we have been able to provide a space to relax and read. The garden area is open once a week where our volunteer 5th graders read books or explore our planted boxes with our younger students. And of course, students are always available to go into our Care room to play board games, to color or to read.

Are you looking for activities to do over break?

The district staff and PEI will be at the Morgan Hill Library on the 12th. We also have the YMCA offering a camp over spring break.

The YMCA in collaboration with Morgan Hill Unified School District will be hosting a camp at Barrett YMCA during this Spring Break. This camp is being offered to any student k to the 5th grade that qualifies for the Free and Reduced Meal Program for free(FRMP). If the student doesn't qualify for FRMP the camp is available for a fee of \$280 (all 5 days).
