To: The Board of Trustees and Citizens of the Morgan Hill Unified School District

The Citizens’ Oversight Committee (Committee) is pleased to forward its eighth annual report on the $198 million 2012 Measure G Bond Program. This report covers the 2020-2021 fiscal year. The principal duties of the Committee are to:

- Ensure that Bond proceeds are expended for the purposes described in the Bond ballot language
- Report the program’s progress to the public
- Provide an annual report and compliance statement

We are pleased to report continued progress on implementation of the District’s Facility Master Plan and funding of Measure G improvements to our schools. Since our last report to the community, we have completed the construction on Jackson’s Multi-Purpose building, despite Santa Clara County’s Covid-19 restrictions. The team continues to make progress on the Admin and Student Union buildings at Britton, as well as Nordstrom’s Administration building.

Eide Bailly, LLP completed the annual audit of Bond expenditures. The audit report disclosed no instance of non-compliance with the terms of Proposition 39 or the terms of the Bond measure as approved by the District voters.

The Committee met throughout the year on:

- March 17, 2021 - Zoom
- September 8, 2021 - Zoom
- December 8, 2021 - Jackson
- March 9, 2022 - Zoom

The Committee wishes to thank the MHUSD staff – Kirsten Perez, Deputy Superintendent and Chief Financial Officer, Ricky Carrillo, Director of Facilities, Jackie Schaefer, Bond Director, and Allison Murray, Executive Assistant – who have assisted us with ongoing support for the activities of the committee.

The Committee, relying on this audit report, is pleased to report that to the best of its knowledge the Morgan Hill Unified School District is in full compliance with its responsibilities as described in Article XIII A, Section 1(b)(3) of the California State Constitution.

Respectfully,

Lawrence Fleischer, Chair
Citizens’ Oversight Committee
About the Measure G Bond Program

On November 6, 2012, voters in the Morgan Hill Unified School District passed Measure G, a $198 million school bond to finance technology upgrades, construct and renovate classrooms and science labs, replace aging infrastructure, and implement other facilities improvements.

Independent Audit

Under the provisions of the California Constitution as amended by Prop 39, the 2012 Measure G Bond Program must undergo an annual audit by an independent auditing firm. The District utilized the certified public accountant firm of Eide Bailly, LLP to perform the required financial and performance audits for the fiscal year ending June 30, 2021. The report was approved by the District’s Board of Trustees at their regular meeting held on January 11, 2022. The audit report is available on the Committee’s website: https://www.mhusd.org/departments/business-services/measure-g-bond.

Citizens’ Oversight Committee

Under the provisions of the California Constitution as amended by Prop 39, an independent Citizens’ Oversight Committee (Committee) must be established to assure that 2012 Measure G Bond funds are spent as approved by the voters. The Committee is required to publish an annual report of its findings.

Committee members are appointed for a two-year term with no compensation for their participation. For the latest Committee meeting schedule, meeting minutes and other information, please go to http://mhusd.org/measure-g/.

As chartered by the Board of Trustees of the Morgan Hill Unified School District, the 2012 Measure G Bond Committee may also act as a communications channel for disseminating bond program information. The Committee is not a bond program advisory body and has no authority to make policy, make decisions or set priorities in the spending of bond funds or District operations. All 2012 Measure G Bond projects are authorized and approved by the Board of Trustees.
SERIES B PROJECTS (as of 1/19/2022)

Measure G Projects from Series B with their corresponding alignment to the bond language as approved by the voters in 2012.
